volume lxxx

waltham high school

waltham, massachusetts

**the colors of our life
are bountiful and bold**

the purple glow of indigo

the gleam of green and gold
the splendor of a sunrise

the dazzle of a flame

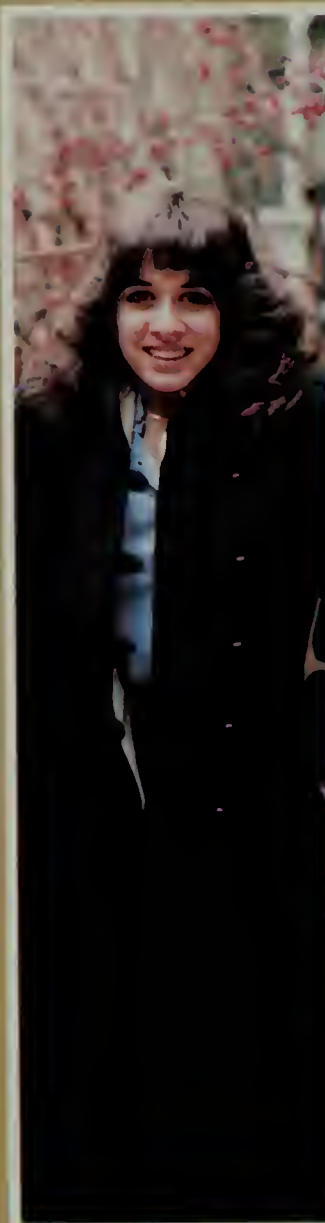

**the glories of a rainbow
we'll put them all to shame**

no quiet browns and grays

we'll take our days
instead

and fill them till they overflow

with rose and cherry red

the colors of our life

**are softer than
a breeze**

the silver gray of eiderdown

the dapple green of trees

the amber of a wheat field

the hazel of a seed

the crystal of a raindrop

is all we'll ever need

and if this sunlit world

grows dark one day

the colors of our life

will give a shining light

to show the way.

dedication

jack delaney

From November of 1973 to June 1982 Jack Delaney was Taylor Publishing Company's representative to the Waltham High. During that time Jack took a mediocre book and made it a book unequaled in the New England area. Jack's patience and understanding in teaching an inexperienced advisor the finer points of yearbook design was the main reason for any success that we have enjoyed.

Last June Jack passed away suddenly and on that day the Waltham High School yearbook lost its biggest supporter. Last July I decided to go along with Jack's plan for using computer graphics in the book. I then dedicated myself to producing the finest yearbook that I could. Mere words cannot describe my feelings, but this book will serve as my tribute to my friend, mentor, and a true gentleman-Jack Delaney.

memorial

bernie collins

Bernard Collins was a member of the Waltham High School Business Department for the past 18 years. During his time at the high school he was a devoted teacher, involved in educational activities and an active member of the Waltham Educators Association.

As a family man with ten children of his own, Mr. Collins was well prepared as a teacher. He had an excellent rapport with his students, was full of understanding and concern for others, and earned the respect, admiration, and fondness of his peers.

teacher of the year

mr. thomas cappucci

When Mr. Cappucci tells his students to strive to become achievers, they don't have to look any further than his desk for a great example of one. Mr. Cappucci gives us the gift of knowledge and strives to make all his students attain this gift. Mr. Cappucci has unselfishly given of himself for the sole benefit of the students of Waltham High. He prepared for weeks in his debate on Reaganomics, to help enlighten us all on the subject. Mr. Cappucci is also available to us on his own time after school to help us with any problems we may have in our studies. After leaving Mr. Cappucci's class one cannot help feeling satisfaction, knowing that something was learned that day. Mr. Cappucci is more than just a teacher to us, he is a friend and a figure to look up to.

mrs. carol graceffa

Mrs. Carol Graceffa has been a dedicated biology teacher at Waltham High School for 14 years. She is a graduate of Framingham State College with a Masters Degree in teaching and a Bachelors Degree in Science.

Of course, it is not the degree that counts, but it is the person herself. Mrs. Graceffa, the teacher, is unique in that she makes it easy for her students to understand and learn from her. She is always ready to help a confused student whether it's during a free period or after school. Her organized and efficient teaching methods surprisingly can make dissecting sheep brains an interesting experience.

Mrs. Graceffa, the person, is a warm-hearted, humorous woman. She adds a pleasant touch to her teaching by sharing with her students some of her personal, funny stories. Possibly, half the school's population offered to marry her when they found out she bought her husband a brand new Firebird for his birthday.

The Class of 1983 has chosen Mrs. Graceffa for a special thank you and recognition as a Teacher of the Year.

mr. james mcdonnell

After graduating from Waltham High, Mr. James McDonnell certainly did not forget it.

He returned after attending the Mass College of Pharmacy and Boston and Framingham Colleges to teach math. He is an excellent, dedicated teacher who works hard with and for his students.

To students and friends, he is known as "Mr. Mac". People have always counted on Mr. Mac and he's never let them down. He organizes both the Europe and Bermuda trips, gives 100% toward the Yearbook as its advisor, as well as teaching during the day and working as a pharmacist at night.

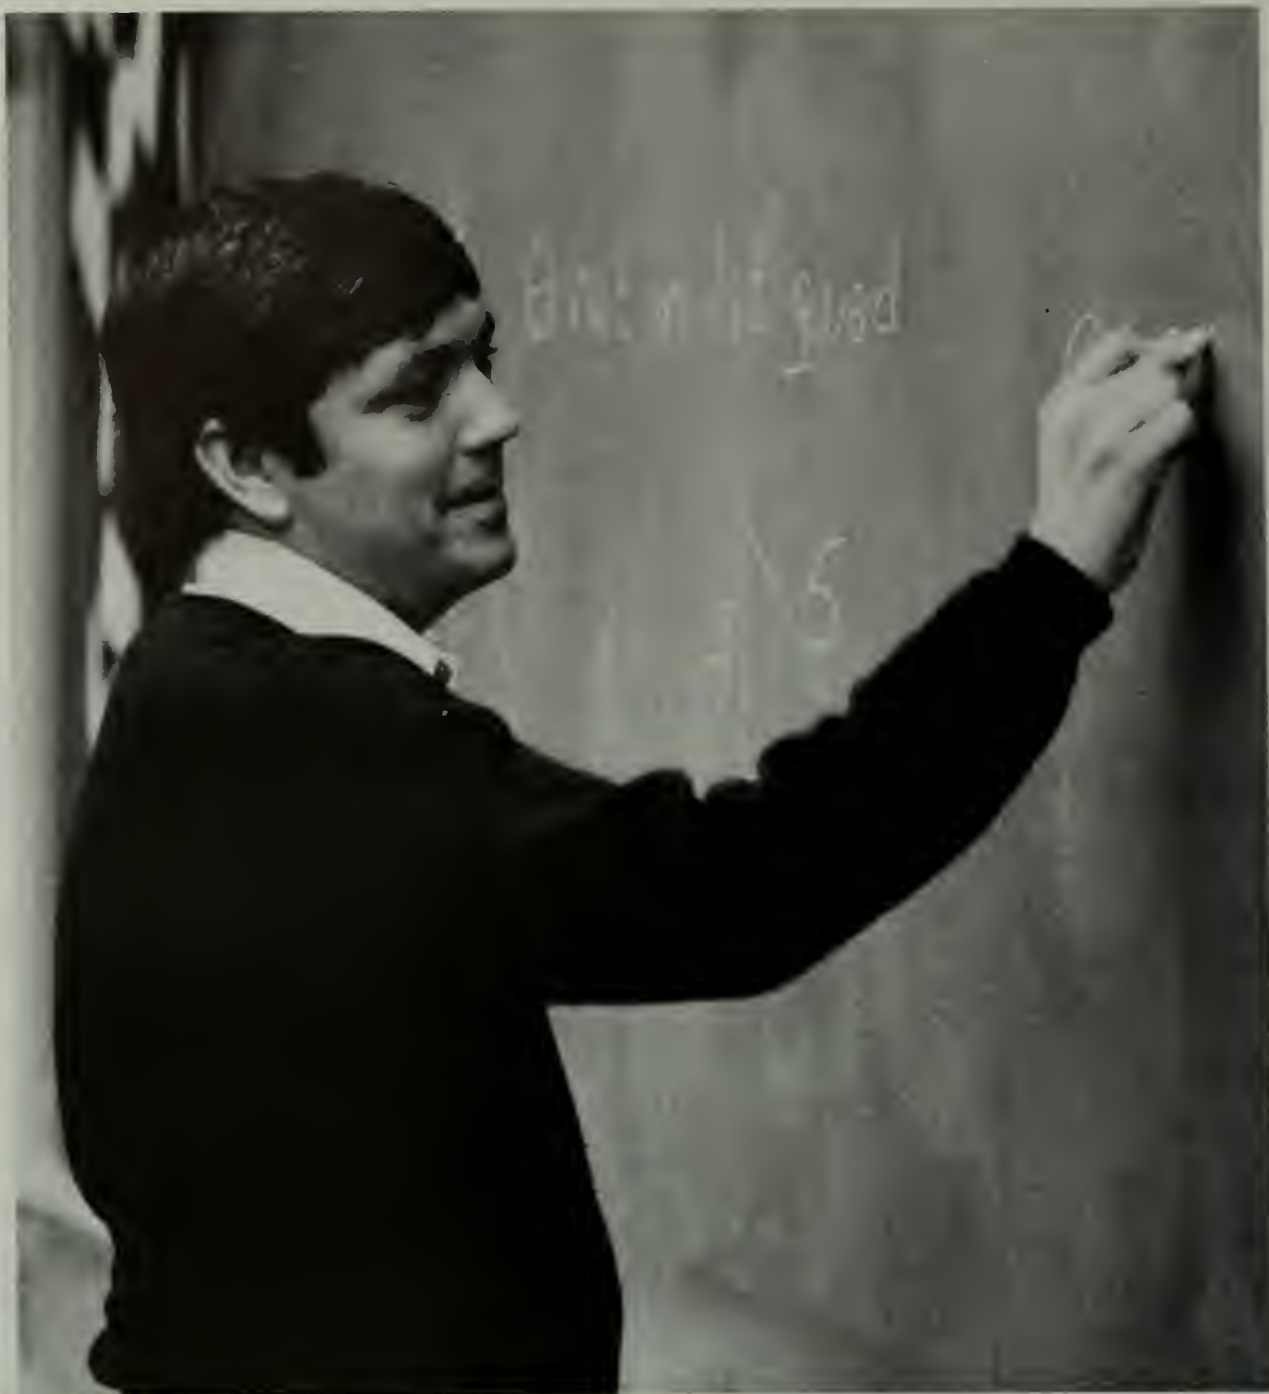

Anyone that knows Mr. Mac well (All it takes is a few weeks of classes with him), knows that a few of his favorites are the Celtics and Elvis Presley. Start a conversation with him with either of these topics and you're bound to have an enjoyable chat!

Mr. McDonnell is a fantastic math teacher and a terrific person and is an appropriate choice for a Teacher of the Year.

football

the dirty dogs spark an 8-1 season

by linda magliarditi

With a "semi-new" coaching staff and only three starters returning, an 8-1 record was the outcome of the 1982 Waltham High Football Season. This was accomplished by a group of athletes who possessed talent but no stars and worked together as a team.

After an opening game victory over Brookline, the Hawks were faced with five formidable opponents. One by one each team was defeated with key wins over an undefeated Quincy team and a hard-hitting Arlington team. The Arlington game produced one of the most dramatic goalline stands by Waltham's "Dirty Dogs." Wins over Somerville and arch-rival Newton led to a Thanksgiving Day showdown with Brockton. For eight

consecutive weeks, Waltham had remained one of the few undefeated teams in the state.

Junior Steve Giusti led the offense with 511 yards rushing. Seniors Darren Marcou and Mike Little contributed with 354 yards and 383 yards, respectively. M.V.P. Rich Bartleman and co-captains Bob Qualters and John Saulnier were able to rally defense to a truly awesome year.

Although this team did not make it to the Superbowl, all of the players gave 110% and showed true character in game play. The 1982 Waltham High Football Team demonstrated heart and teamwork which made them successful and made Waltham proud of them.

the girls rooted team to victory

by cheryl lavash

The Football and Soccer Teams' cheerleaders had a very rewarding season. From the sidelines, the girls rooted their teams on to victory, or in some cases, helped comfort their defeat.

Even without a coach the Soccer Cheerleaders were able to maintain their own team spirit. Their captain, Joanna Aniello, provided excellent leadership in their absence of a coach. The cheerleaders baked cookies and made signs for the games.

The Football Cheerleaders practiced diligently every day after school. They helped to increase school spirit at the rallies as well as at the games. They also made scrapbooks of the season which they presented to the members of the Football Team at the banquet.

The cheerleaders provided great support to the Football and Soccer Teams.

girls' swimming

girls improve record to 4 and 5

by kathy venini

This year, the Girl's Swim Team, backed by nine returning seniors, finished with a 4-5 record.

Led by Captains Kim Haskell and Jenny Huff, the girls finished with their best record in two years. Senior Maureen Barth broke records in the 200 yard individual medley and

in the 100 yard breaststroke. She, along with seniors Christine Denaro, Jenny Huff and Kim Haskell went to the sectionals, where Jenny placed fourteenth in diving.

This season, much individual improvement was made by the members of the Girl's Swim Team.

volleyball

the girls showed constant improvement

by lisa stalmon

The Waltham Girls Volleyball Team had a good season this year. The girls and Coach Tierney were hoping to make the State Tourney, but ended with an 8-10 win-loss record.

The team's co-captains were Paula Riccio and Jean Cadigan. Paula set up the offense as a setter and built up on her spikes at the end of the season. She received the M.V.P. award and was chosen for the Suburban League All Star Team. Jean

was a great spiker for Waltham and had some outstanding performances. Her determination was a great factor toward the team's success.

Overall, the team improved tremendously during the season. Their determination and enthusiasm was great. This year was a lift for Waltham Volleyball and Coach Tierney looks forward to next year with five returning varsity players.

boys and girls have successful seasons

by carol kirsch

Considering the obstacles the boys and girls cross country teams had to overcome, both teams ended with a successful season.

The girls team was placed in a predicament with only one returning varsity member from last year's championship team. This season was labeled as a rebuilding season but the girls pulled together and ended with a 4-2 season, placing third in the Suburban League. The team was led by co-captains Tara Keough and Gidget Brown. Brown placed second in the Suburban League meet, and fifth in the Division I meet which qualified her for the All-State Cham-

pionship race.

The boys team was faced with the problem of adjusting to a new coach. It was tough to adjust but towards the end of the season, things began to work out. Kevin "Stew" Milligan, the captain of the cross country team, received the Steven T. Murphy award and the M.V.P. award and placed ninth in the Suburban League meet.

This season the girls and boys cross country teams learned many valuable skills pertaining to the sport of cross country. Both teams are looking forward to a successful season next year.

cheerleaders

girls provide support for the teams

by cheryl lavash

The cheerleaders for the Hockey team and the Basketball team were very dedicated and enthusiastic. The girls baked cookies for the teams and participated in all the away games.

Cecelila Poppleton demonstrated that she was both dependable and responsible in her position of captain of the Hockey Cheerleaders. The Hockey Cheerleaders held practice after school three times a week.

The captain of the Basketball Cheerleaders was Sharyn Ciani. During Christmas vacation the Basketball cheerleaders practiced every morning to perfect their pom-pom routines which they performed at half-time.

The hard work done by the Hockey Cheerleaders and the Basketball Cheerleaders helped provide support to both teams.

hockey

the hawks have a winning record

by linda magliarditi

The Hockey Team coached by Peter Yetten had a winning season this year. It was led by captain John Giardina and assistant captain Bernie Murphy. The team was backed up by two senior goalies by Jay Allen and Mark Taranto. The other senior players who added to the success of the team were: Danny Tardiff, John Powers, Paul Dowdy, Jeff

Ledger, Lee Robinson, Eddie Finney, Dennis Gullotti, John Keough and Bill Manion. Throughout the year there were many good plays by the team members that made the games exciting to watch. Also, three of our team members made it to the All Stars. They were John Giardina, Bernie Murphy, and Tom Paschal.

girls' soccer

four members elected all suburban

by karen gearty

The girls Soccer Team had a season mixed with high points and low points.

The team got off to a good start. Mr. Comeau, a first year coach, was very enthusiastic and caused many of the team members to be excited about the season. The first half of the season ended with a 4-1-3 record which is the best mid-season record Waltham's team has ever had.

However, the injuries of four key players caused the downfall of the rest of the season. The girls continued to play their hardest but had difficulties because of the injuries.

They ended their season with a respectable 5-6-5 record. Four members of the team were elected to the Suburban League All Star Team. They were: Co-captain Barbara O'Brien, Co-captain Jeannie Gately, Maria Orlando and Noreen Callahan.

wrestling

the best ever at waltham high

by cheryl lavash

In many respects, the 1982-83 wrestling team was the best ever at Waltham High. Their 13-2 record along with a Division I Central Mass Championship rated them among the best.

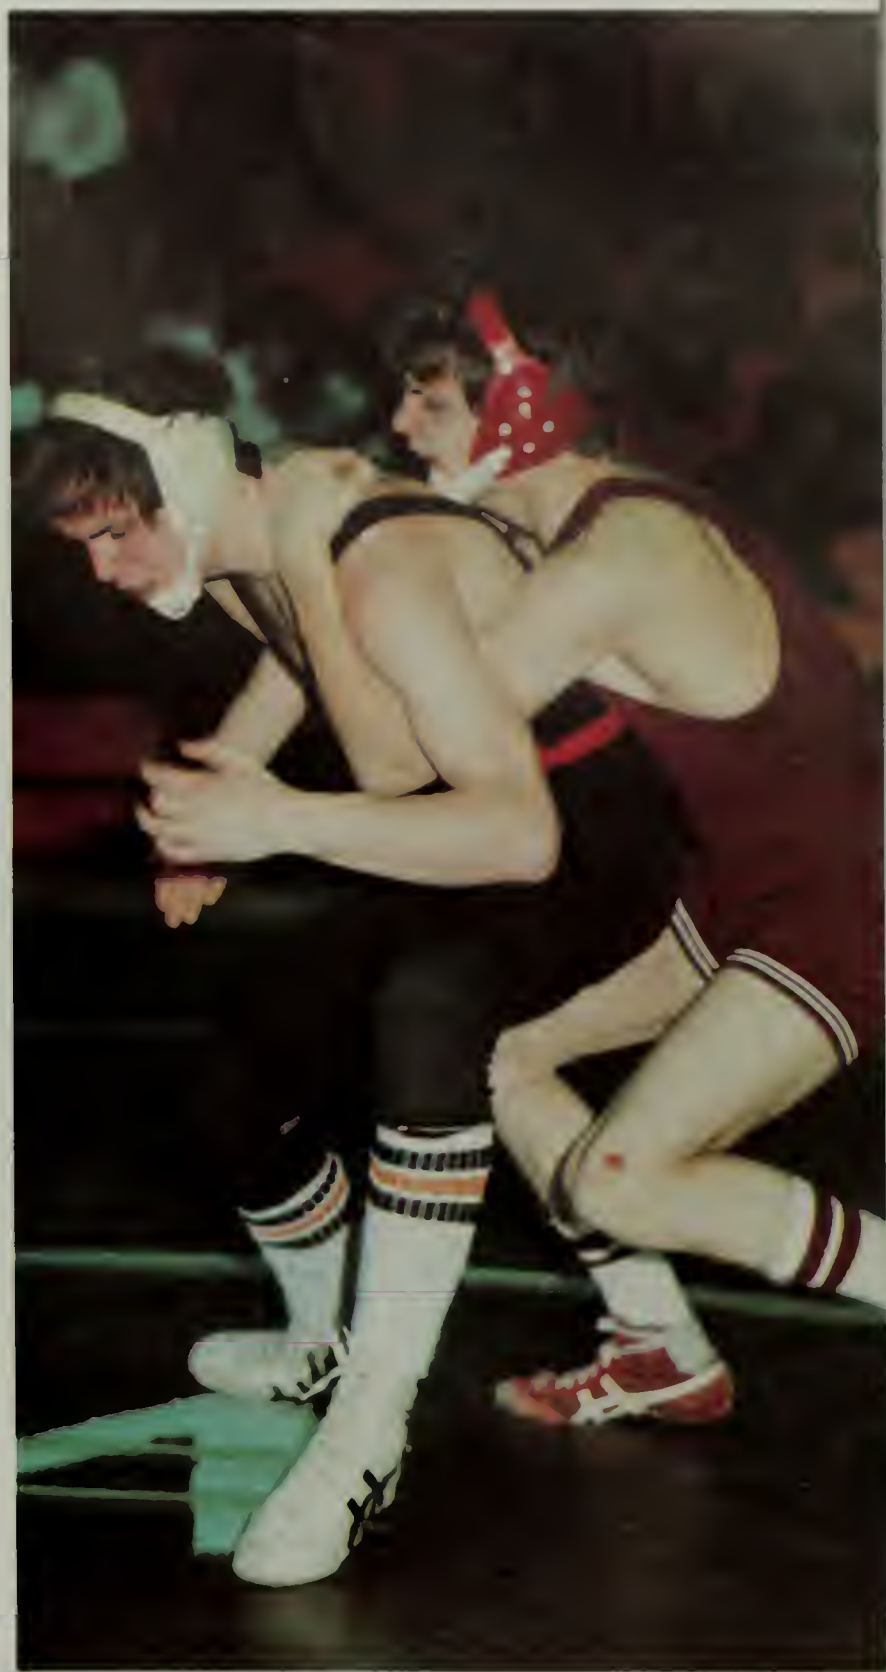

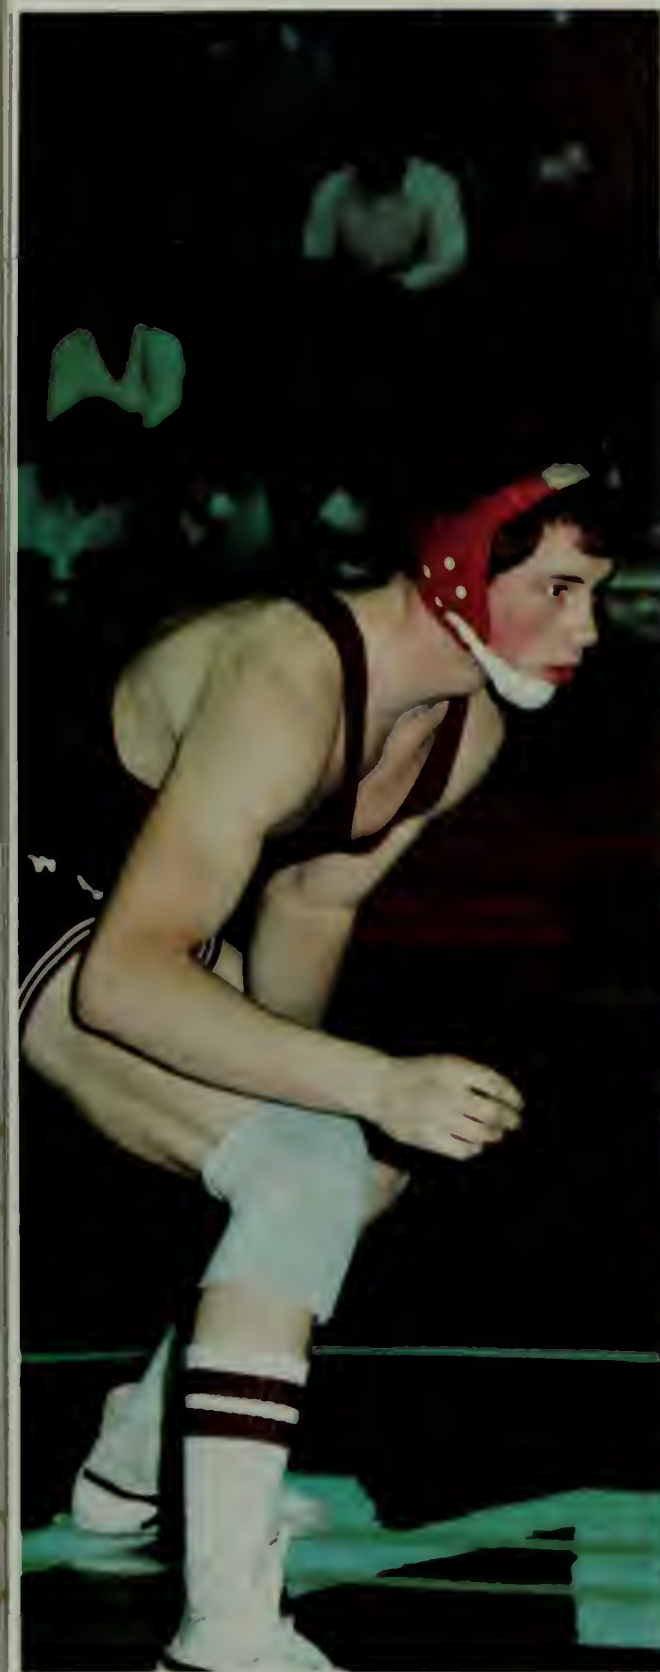

Individually, Waltham had a record five champions at the Central Mass. Tournament. They were, Junior Brian Schoener, and Seniors Ken O'Connor, Ken Morreale, Ciro Zottola and Joe Benjamin. Ciro Zottola continued on to place 4th in the states while Ken O'Connor became a

state and New England finalist.

The greatest team effort of the year came on a February weekend with upset victories over previously undefeated Brockton and Wayland.

Hard work, dedication and a very positive attitude paints an accurate picture of this years championship wrestling team. Furthermore, these attributes could not have been more accurately defined than in the individual performance of senior Ken O'Connor.

boys' soccer

hawks finish suburban co-champs

by anne arnold

This season was supposed to be remembered as the Soccer Team's season to rebuild. No one expected them to have a better than .500 percentage win-loss record.

Hard work, perserverance, and the development of a team concept prevented a rebuilding year. Coach Graceffa and the boys realized that anything was possible as long as

they worked hard. They learned from their early scrimmages; by the end of the regular season they were Suburban League Co-Champions and gained a berth in the Eastern Mass. Tournament.

Congratulations are in order for the Soccer Team for an outstanding season. They have achieved great accomplishments and Waltham High is proud of them.

girls' basketball

the girls light the fuse for the future

by lisa stalmon

The 1982-83 girl's basketball team has lit the fuse for the future. Not only did they improve greatly over the previous year, they have let the rest of the Suburban League know that they intend to be among the leaders next year. Led by co-captains Jeanne Gately and Barbara O'Brien, the Hawks won three of their first four games before suffering some key injuries.

But they played tough and challenged every opponent that walked into the gym. Guard Debbie La-

Fauce was among the team's assist leaders and paired up with Maria Orlando to give the Hawks depth in the backcourt. Senior Mary Magno played the swing role of frontcourt and backcourt and Lisa Caruso led the team in free throw percentage (63%). The final record of five wins and eleven losses was the best in four years. Top scorer Sue Giangrande and promising sophomore Meg O'Brien lead a solid group of veterans returning along with an outstanding junior varsity team (14-2). The fuse has been lit!

hawks go 9 and 9 in a rebuilding year

by carol kirsch

Although the 1982-83 Waltham High Basketball Team only finished with a .500 season, they exhibited strength and perserverance as a formidable Suburban League opponent.

Led by co-captains Darren Marcou and John Nisbet, each member of the team contributed a valuable source of efforts. Darren, the sole returnee from last season, led the team in scoring (232 points), steals, and assists. Jerry Nocera, a strong defensive player, led the team in re-

bounds. In a game against Quincy, Jerry's talent and stamina enabled him to reach a personal and team high of twenty-six points. Other contributing players, also averaging in double figures, included juniors Dave MacDonald and Doug Hoffer. Working together, as a team, the boys played competitively against their opponents all season. The Hawks captured outstanding victories over traditional rivals, Brockton and Newton North. Waltham finished the year on a high-note by defeating North Quincy at home, in overtime 71-62.

skiing

skiers finish first in the league

by kathy venini

Waltham High Ski Team shined this season, placing first in the Suburban League Division, racing against seven other teams. Senior Ski Team members Bob Weston, Karen Livoli, and Maria Rizzo excelled in their division. Also, three of our seniors, Bill Fennelly, Lisa Howard, and Tim Regan placed in the top ten of their league. Other seniors participating were Kerry Kelly and Rosanna Mele.

Seniors qualifying for the Mass. State Championships at Mt. Brodie were Bill, Lisa, Tim, and Maria. Other members who qualified for this event and will give next year's team a boost were sophmores Roni Sue Pomerleau, Kelly Vaughn, Lee Wilcox, and Mark Antonucci.

This year's seniors will miss Coach Kathy Shinnick, who led them to an outstanding season, and wish luck to the team of '84.

boys' swimming

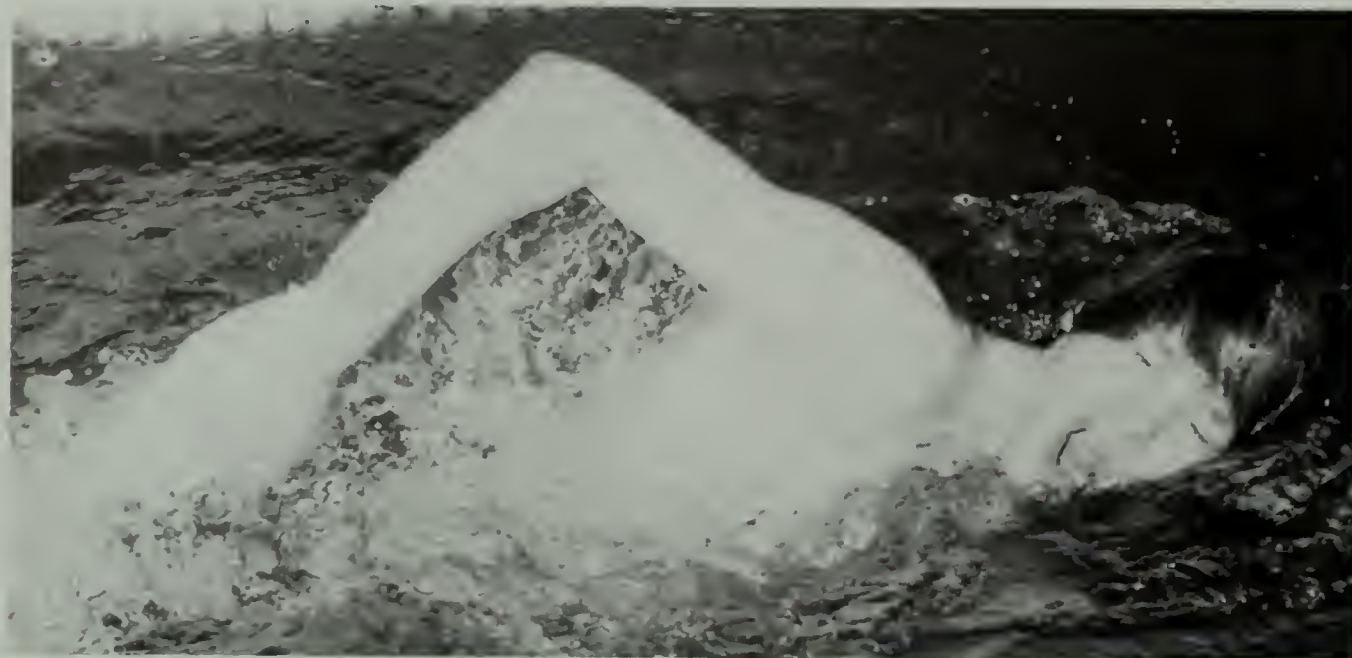

swimmers have record making season

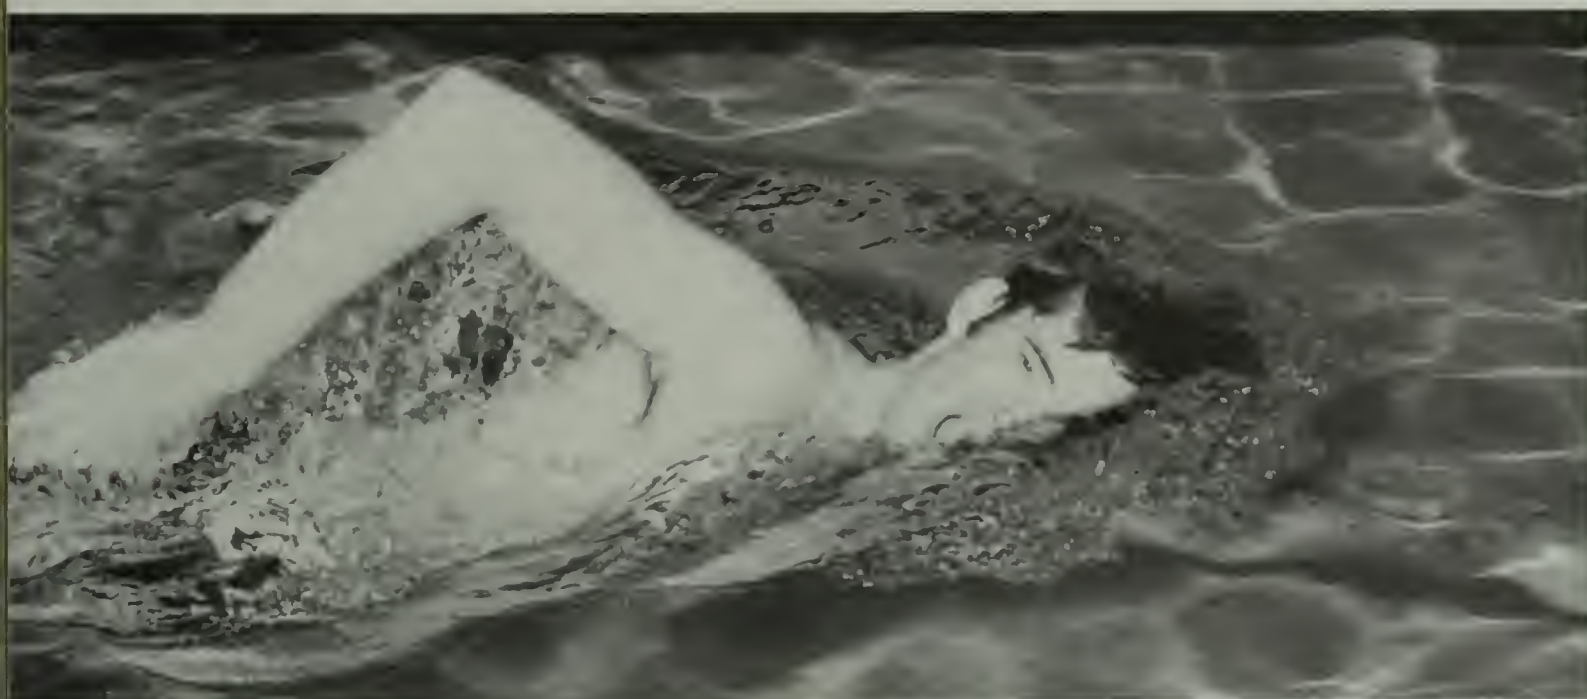

by carla lamb

The Boys Swim Team experienced a record making season.

With the strong leadership of Captain John Romanowski. The team finished third in the Suburban League. Seven members of the team were named to the Suburban League All-Star Team which is the most ever named in the history of

the team. There was also the most participation the team has ever experienced; 23 swimmers were on the team. Among individual achievers there were Scott Pomerleau and Steve Bolio, who placed first and eighth in New England for diving, respectively. Waltham High can certainly be proud of the Boys Swim Team. This year's team was the strongest team in 12 years.

baseball

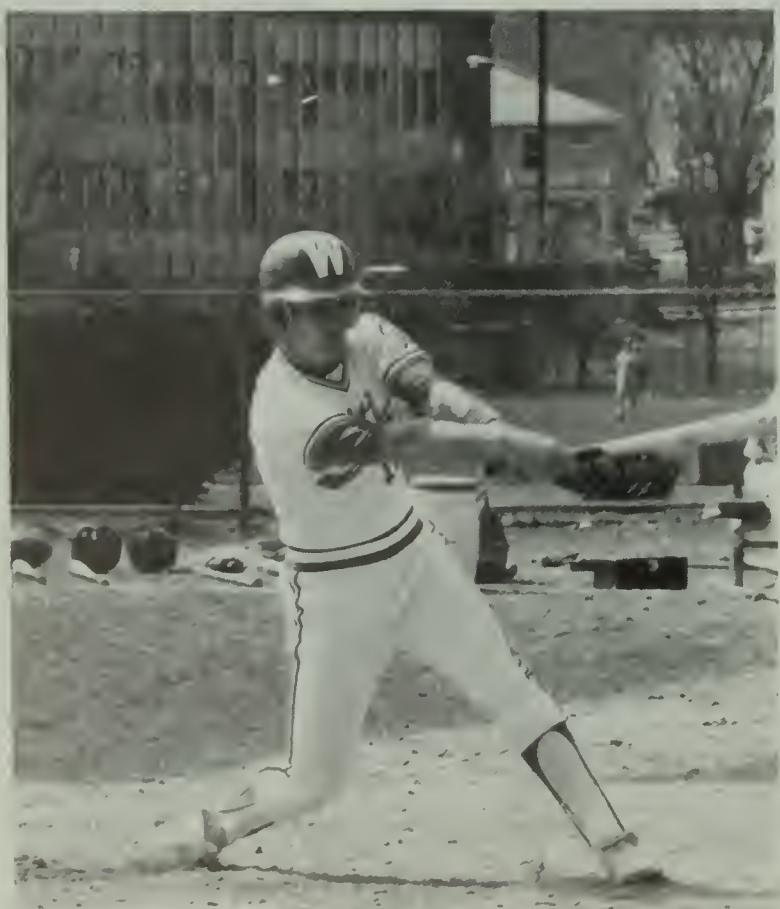

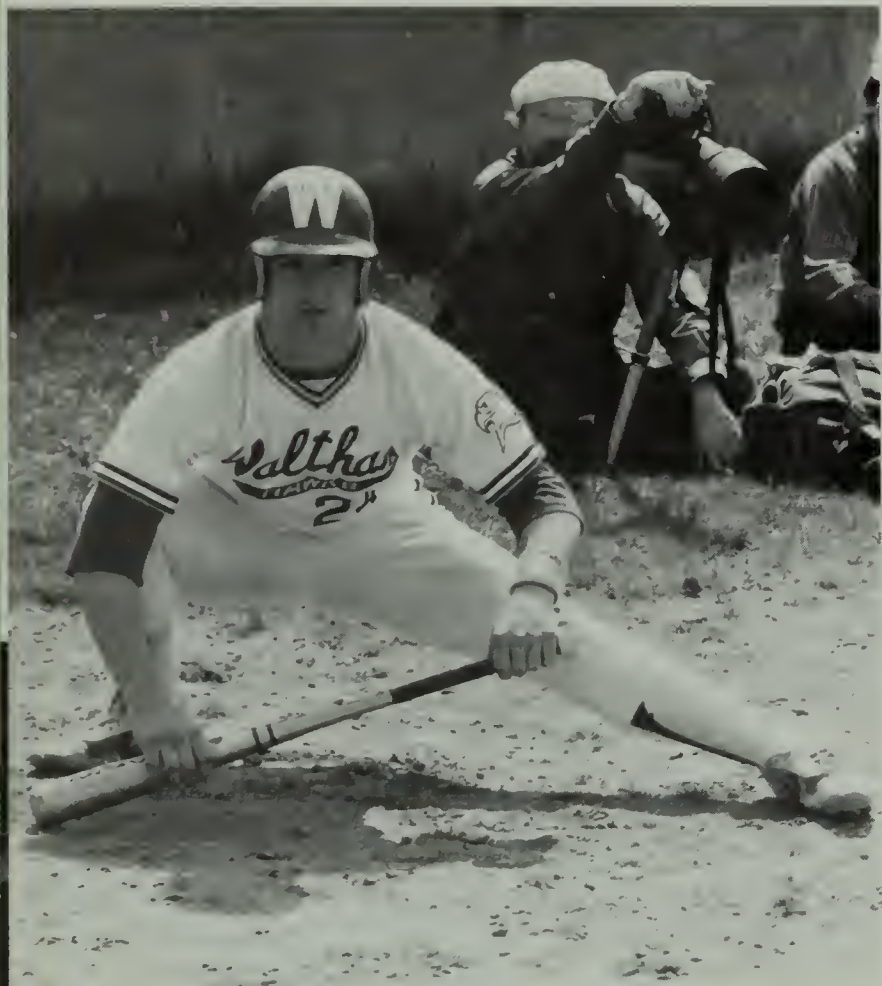

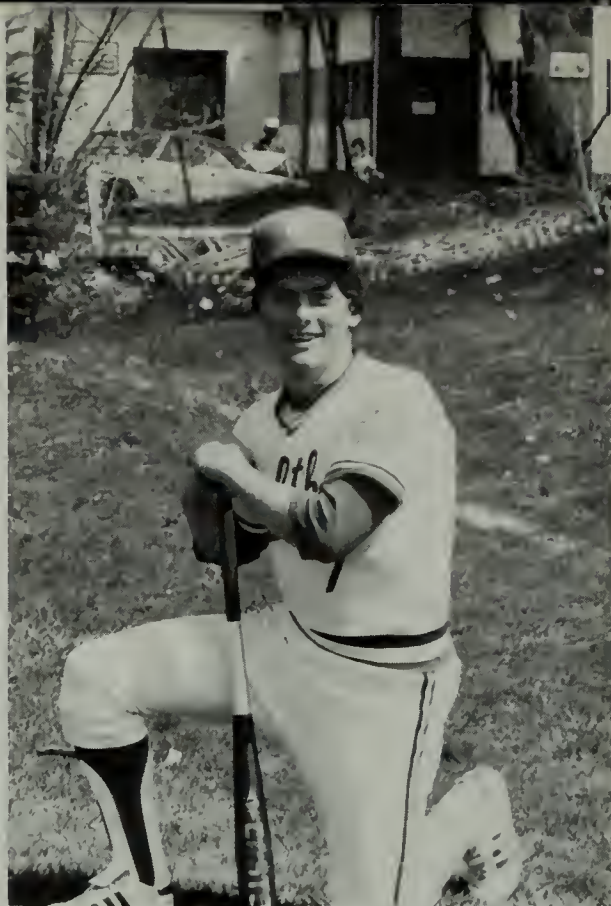

hawks suffer first losing season in 16 years

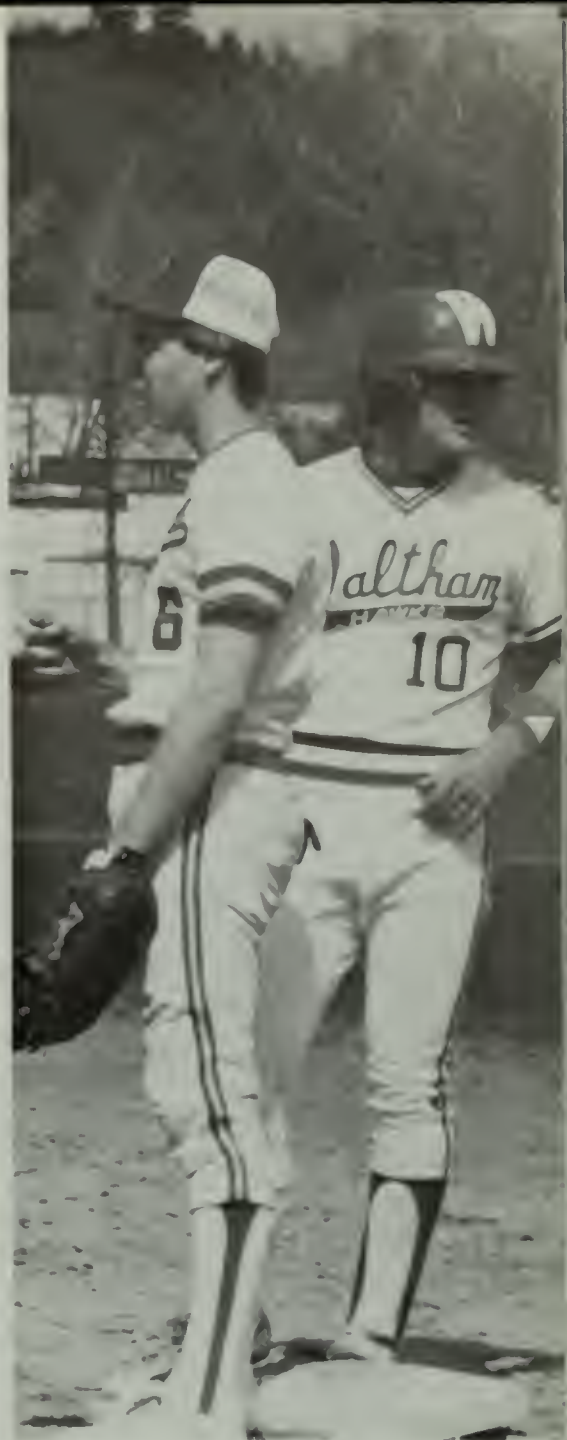

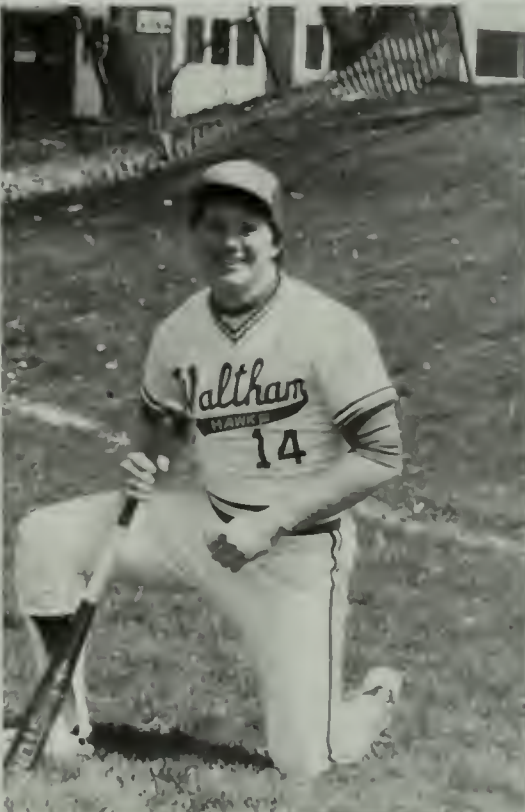

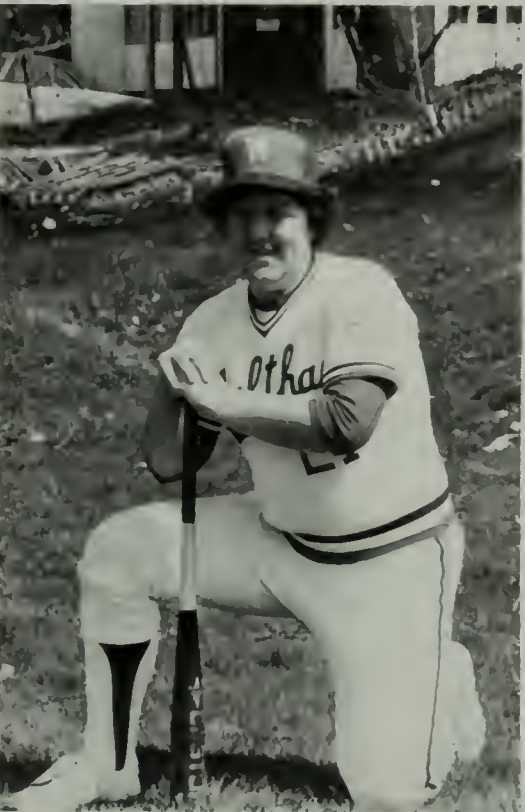

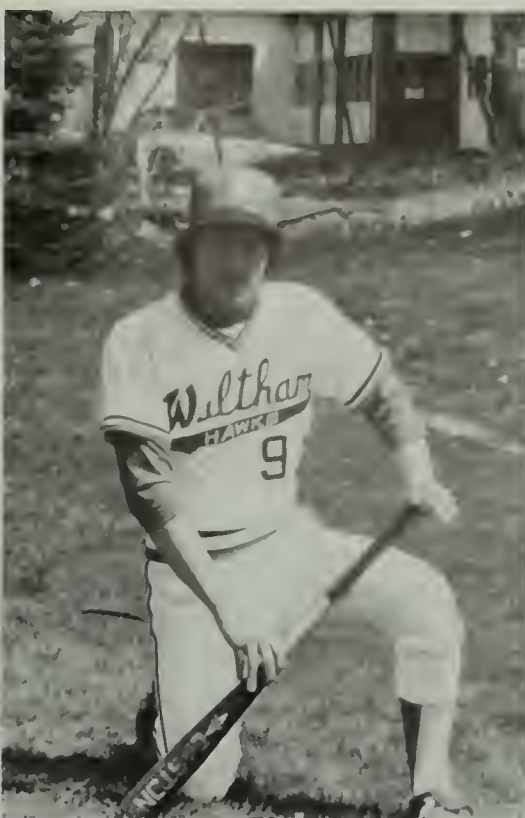

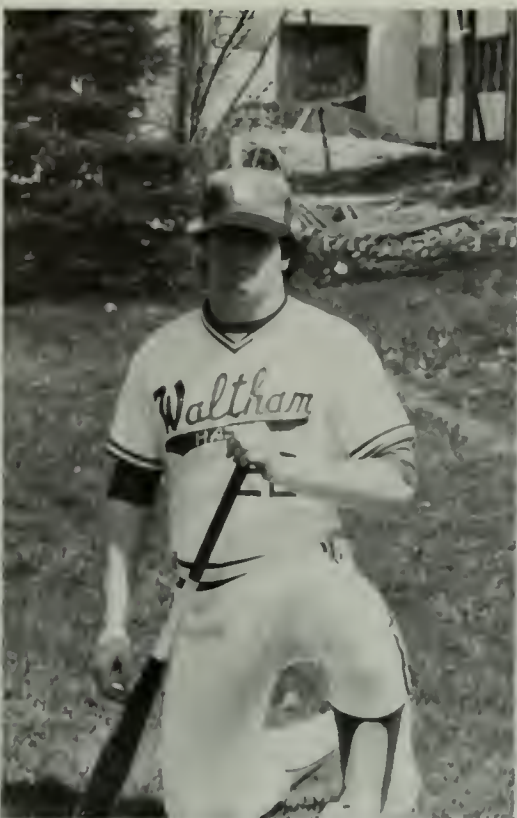

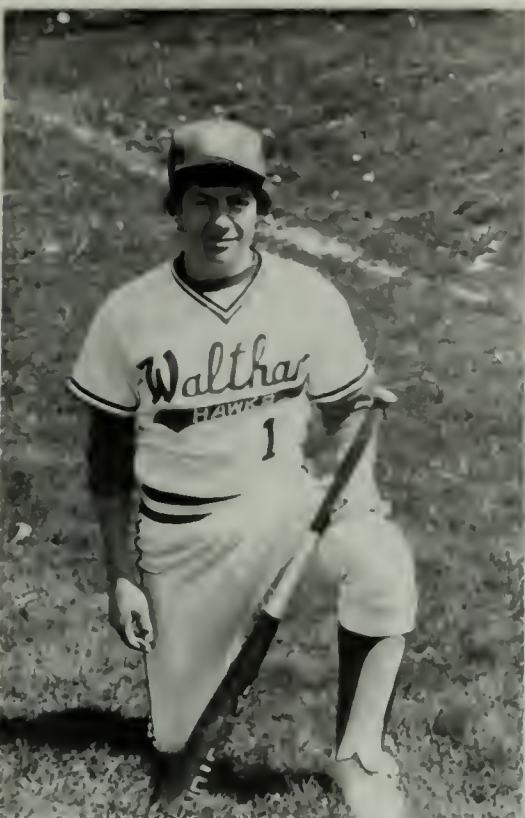

by seta stepanian

After 15 consecutive winning seasons the Hawks fell upon hard times this spring. In suffering a losing season for only the second time in over 25 years the hawks did not live up to pre-season expectations. Failure to make the key play defensively or to combine good hitting and pitching cost the Hawks several games. The potential was displayed in beating

Cambridge Rindge and Latin, a tournament team, twice 8-5 and 7-5.

Leading hitter, Darren Marcou, along with Wayne Johnson (a 1.75 ERA in league play), and Steve Giusti were chosen on the First Team All-Suburban. With a fine nucleus returning the hawks hope to return to their winning ways next season.

lacrosse

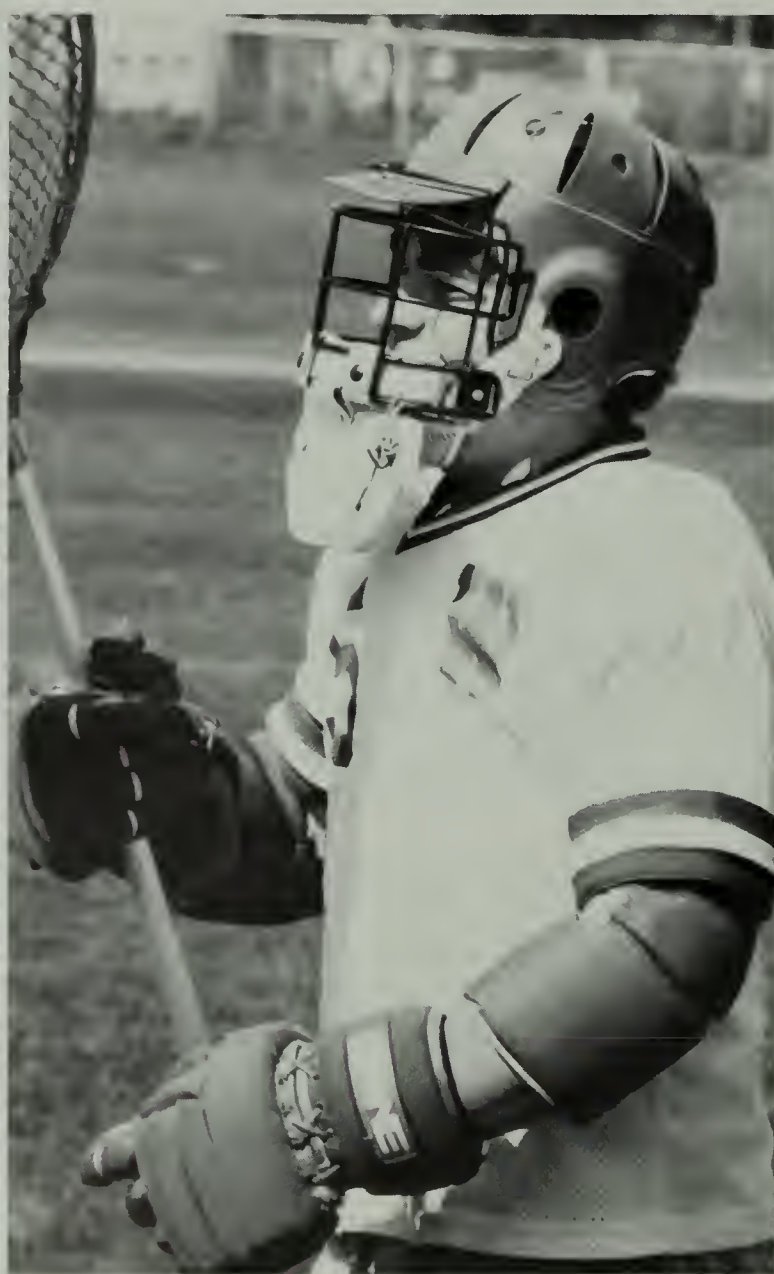

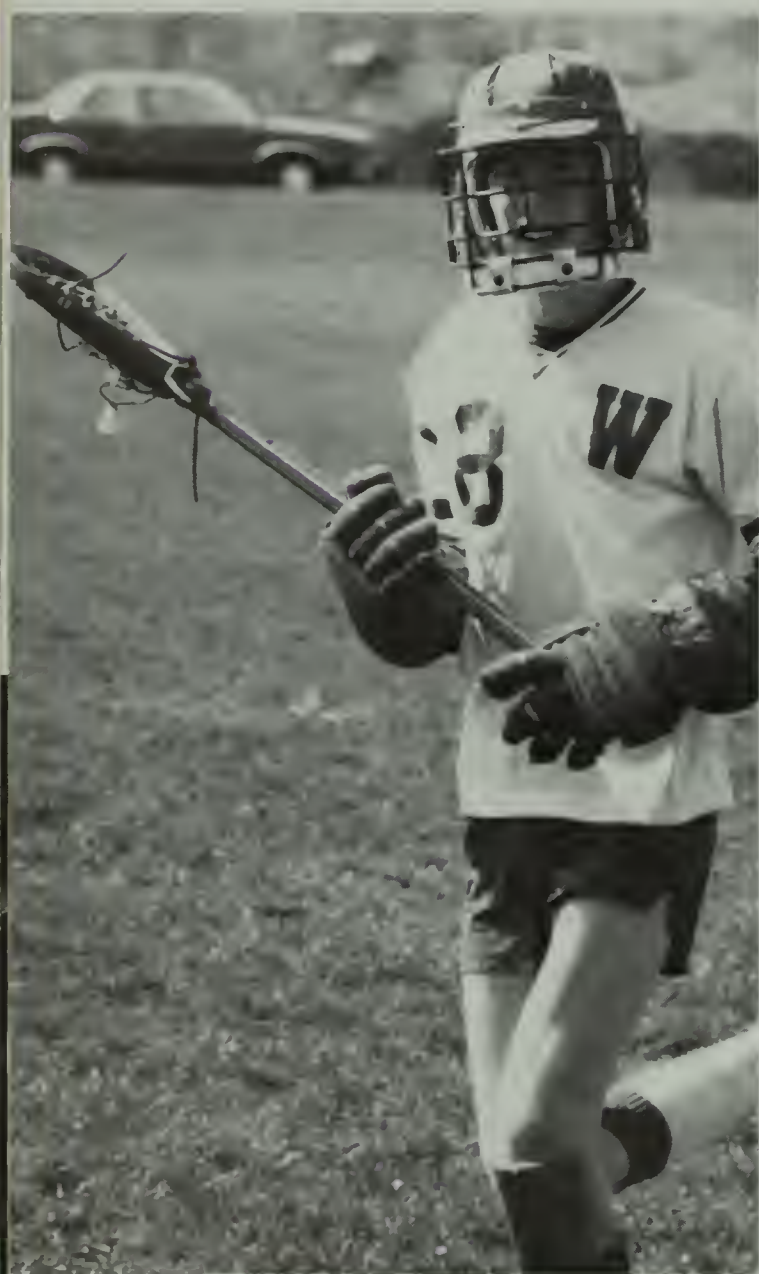

hawks complete a rebuilding season

by michelle flanagan

This year's Lacrosse team had a less than successful season, but it did show some positive signs. Under rookie coach Ray Comeau, the Hawks underwent a rebuilding year, hopefully, to build for more successful seasons in the future. Many members of this year's team were seniors, but there also was an equal

amount of underclassmen. This year was a good learning experience and hopefully the Hawks will benefit from it in the future.

The seniors participating were Joe Kavey, Bob Kavey, John Kavey, Al Poirer, along with tri-captains Bill Archibald, Walter Comeau, and Bernie Cormier.

girls track

girls set eleven school records this year

by andrea gallagher

This year the girls' outdoor track team was successful, talented, and well-rounded and was one of the finest girls track teams ever.

The team placed second in the Falmouth Invitational Meet as well as setting eleven school records during the course of the season.

Awards were presented to the following; Donna Giardina was the team's Most Valuable Player, Maria Orlando won the Stanley Cullen Award. Also receiving awards were Susan Connaughton and Lisa Chiango who shared the award of Unsung Hero, Karen Feeley was the Outstanding Player in field events and Linda Randall was designated Most Improved Player.

tennis

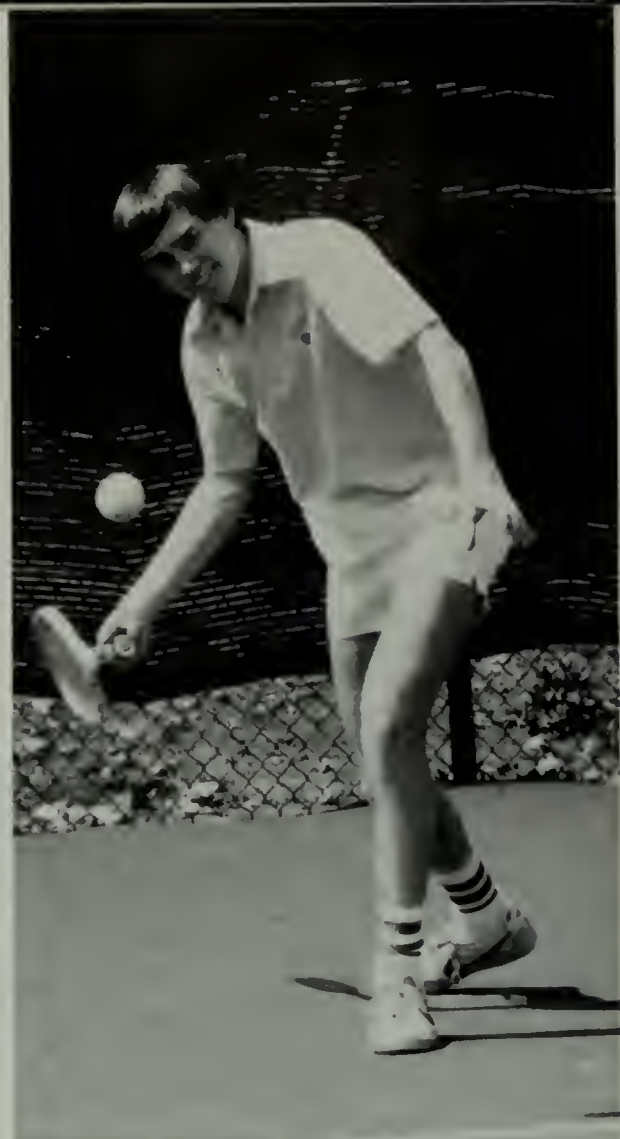

girls play with a great deal of desire

by carla lamb

The girls' tennis team, coached by John Graceffa, closed their season with two wins, but most of their matches were closer than the scores indicate. Julie Boudreau, who played first singles, faced the toughest opponents and had strong wins against Cambridge and Brockton, Carla Lamb played second singles and proved to be the team's most consistent player. Carla had the best record of 6-6. Ellen Mesrobian was the team's best double player. Having been a three year member, she was one of the most determined players. Tina Chung and Janet LaRosa, who were both three year players, con-

tributed at all the matches and practices. Kathy Monahan played doubles and showed great team spirit throughout the season.

The team may have lacked an abundance of great talent but made up with great desire to win. The freshmen, sophomore, and junior players contributed in many ways and played a great supportive role during the matches and practices. Coach Graceffa is looking forward to next years team because of the desire to play and the discipline these undergraduates displayed.

softball

girls finish as suburban league co-champs

by karen gearty

The 1983 Varsity Softball Team had a very successful and enjoyable season. Their regular season record was 12 & 2; co-champs of the Suburban League. This record qualified them for State Tournament play. In the State Tournament, they beat Chelmsford 3 to 2 and lost to Arlington in the quarter finals 2 to 1. This brought the overall record to 13 & 3.

The team was lead by Senior Co-Captains Theresa Guigno and Jeanne Gately. Theresa had a 12 & 2 pitching record which was the best in the Suburban League. She was named to the first team Suburban League All Stars and was named as M.V.P. of the Suburban League. She was also one of the top hitters in the league with a 404 batting average.

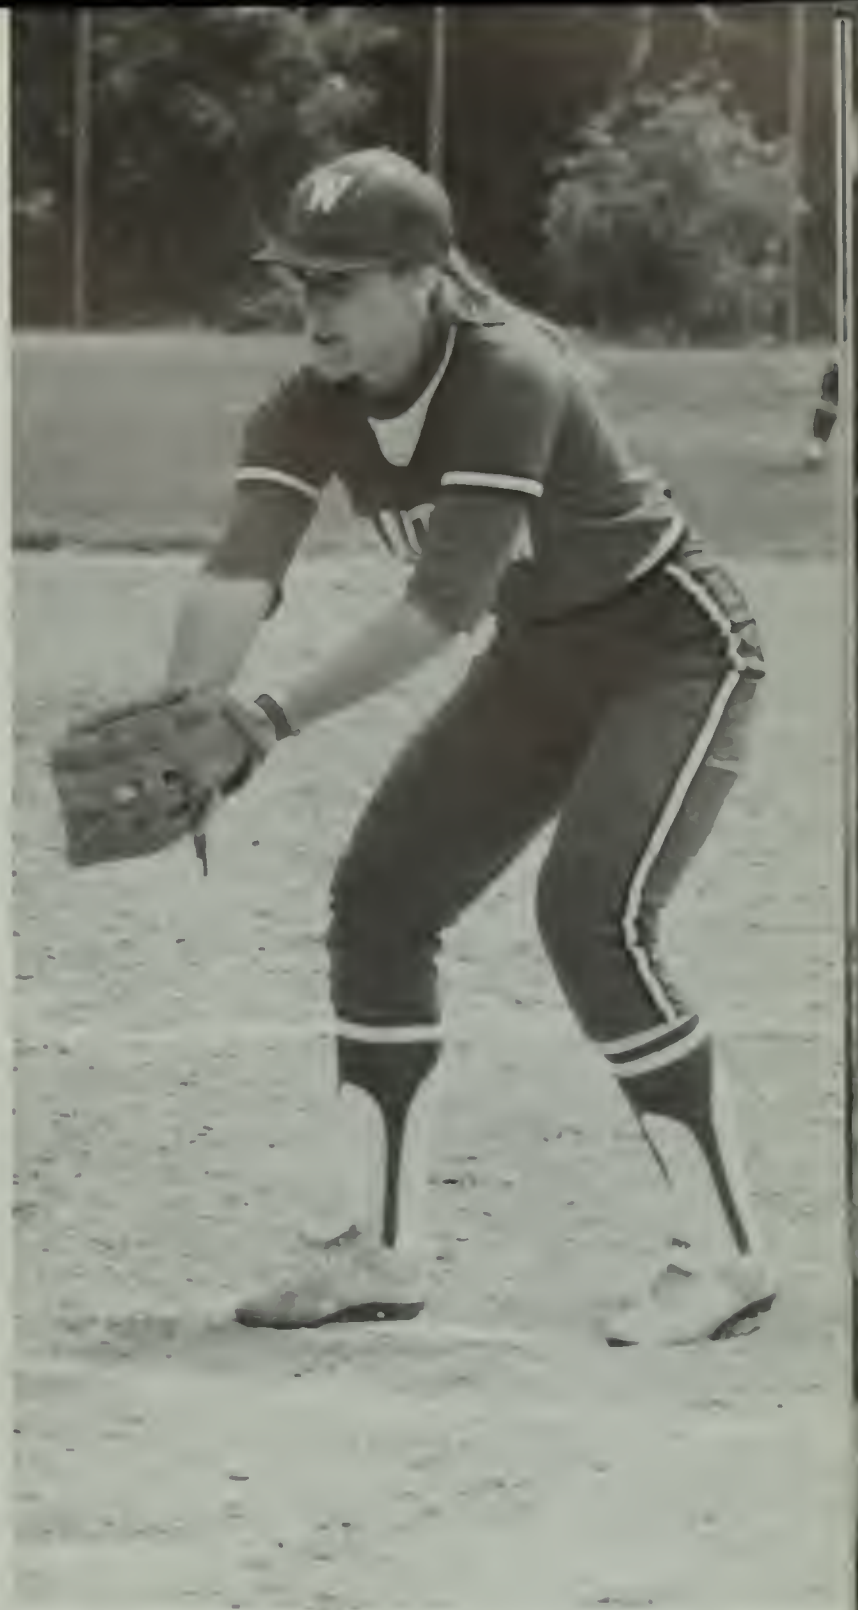

Jeanne Gately was a defensive standout at shortstop. Her outstanding plays at that position allowed her to be picked as the Suburban Leagues second team All Star Shortstop. Her leadership and the

respect she received from her team members helped to motivate the girls to play as well as they did.

Other senior standouts were Barbara O'Brien and Paula Riccio. Barbara was a first base returnee who improved considerably on defense. Offensively she came through with some clutch hits throughout the season and ended up with a 346 batting average. Second baseman Paula Riccio was another defensive star who also improved with the bat. She made the team very strong up the middle and worked well on double plays with shortstop Jeanne Gately. Paula was the second batter in the line up and was called upon to bunt and move runners up. She ended up with a fine 389 batting average and was named to the Suburban League All Stars second team.

The team was made up of a great bunch of players. Everyone helped each other and made a contribution to the team which allowed us to go as far as we did.

boys' track

pass the word waltham boys' track is back!!!

by lisa stalmon

The boys' outdoor track team showed great deal of improvement from the indoor season and they finished the season with a respectable record of 2-4.

Co-Captain Joe Walter became the top miler with the best time of 4:38, Steve Brown was top two miler with a personal best of 10:09. Pole-Vaulter Andy Kramer came on strong with a second place finish in the State Meet. Brian MacKenzie, who was injured for the last two weeks of indoors, and remained injured for the next three months came off the disabled list

midway thru the season to score points for Waltham. His best time of 2:07 in the half in the state meet was amazing considering the work he had done. Joe Romanowski was a standout in the 330 low hurdles. Disappointments this season were Co-Captain Kevin Milligan, who was out the whole season with an injury and Andy Bernard, who was also out the entire season with a groin pull.

Overall, Greg Kasabian has done a great job rebuilding this team. Waltham Track Is Back!

activities

lisa and john crowned queen and king

by anne arnold

The Homecoming rally took place on the Friday afternoon before the big football game against Newton North. The rally showed the members of the football team the support that the students felt for them.

At the rally, Lisa Babineau and John Favreau were crowned homecoming Queen and King. Next the football team was rooted on by the cheerleaders. The drill team performed a routine to the songs the band played. School spirit seemed to

be at a record high.

Saturday came and the game was cancelled because of the rain. However, the Homecoming Dance was held that night as scheduled and served as a second rally to keep spirit up.

The homecoming game was held on Sunday and Waltham defeated Newton North 27-6. The homecoming rally and dance proved effective in gathering school spirit and support.

"songs for all seasons" was a great success

by cheryl lavash

This year's Senior Revue, "Songs for all Seasons," was a great success. Seniors attended weeks of rehearsals to perfect the songs, dances, and skits in the show.

The first act was in the form of the traditional minstrel show. The master of ceremonies, Mark Proia, delighted the audience with his numerous impersonations. Particularly memorable was Joe Romanowski's and Steve Dunbar's rendition of the Blues Brothers.

The second act reflected the theme of the show, "Songs for all Seasons." This act opened with a New Year's Eve party, ran the cycle of the year,

and ended at the following New Year's Eve. There were many different dances, skits, and songs representing the various holidays, months, and seasons of the year. For example, there was a Valentine's Day waltz, a skit entitled "Ladies Day at the Ball Game," a very large June wedding ceremony, and a chorus of Kris Kringles singing "Be a Santa."

The Senior Revue was a tremendous success. And although only a few were mentioned here, all numbers were outstanding. All cast and crew members should be proud of their contributions. (Next year's senior class has a tough act to follow!)

the band made crimson the color of the season.

by seta stepanian

The Waltham High School Crimson Marching Band and Auxiliary Units were a fine compliment to the school's football team. The Band and Auxiliary Units put on many magnificent half time shows. The success of the shows came from the students practicing for hours out in the cold on Saturday mornings before the games.

The Band, in addition to their performance on the field, kept school spirit up in the stands with the familiar

"Waltham" tune and other songs.

The Auxiliary Units consisted of the Crimsonettes who turned their flags and guns; Majorettes, who twirled their batons; and Drill Team members who danced to the songs the band played.

Together, the Marching Band and Auxiliary Units' fine performances at the football games every Saturday afternoon truly made crimson the color of the season.

the jazz band has been a tradition at whs

by cheryl lavash

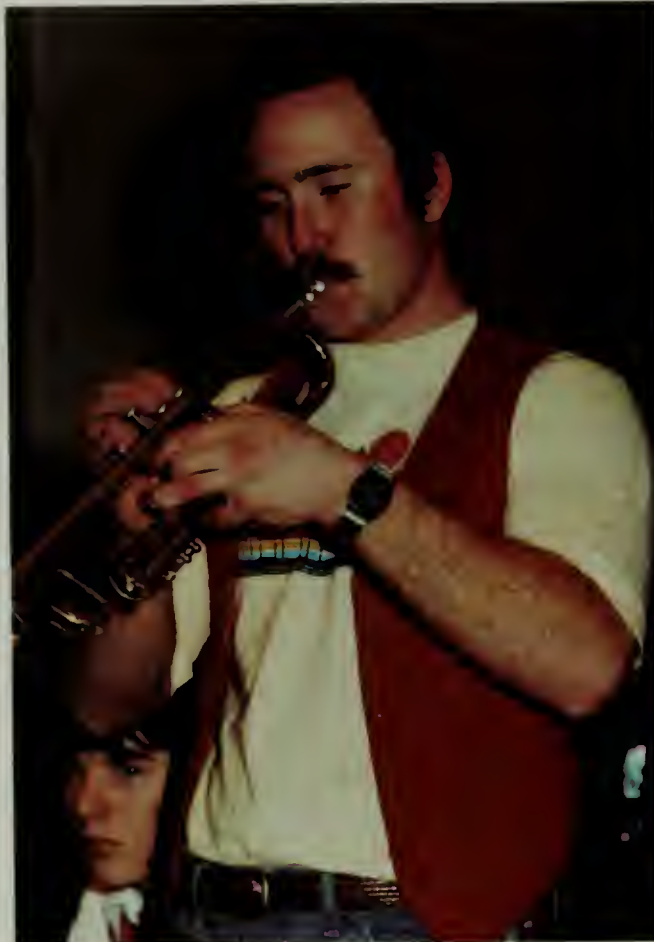

The Waltham High School Jazz Band has been a part of Waltham High for a long time.

This year Danny Deleo, on sax, John Crowley, on Trumpet, and Chris Chassion, on piano, have shown superb quality playing by making Northeast District Competition and being recommended for All-state.

The musical style of the Jazz Band is Big Band Sound, Swing, Blues, and Jazz rock. This year the group con-

sists of 7 trumpets, 4 trombones, 7 saxaphones, 1 flute, and 8 members of the rymthm section in the Jazz Band. Mr. Ferrante is our leader.

Mr. Ferrante will be leading us into the District Jazz competition on Feb. 8, with other competitions in the future. We will open our competition with 4 songs, Granda Smoothie, Senorita Blues, Send in the Clowns, and Take the "A" Train. All Jazz Band members are looking forward to a successful year.

the drama department performs a two act comedy

by cheryl lavash

The comedy, "You Can't Take It With You," was performed by a group of drama students in the Robinson Auditorium on December tenth and eleventh.

The play was directed by Ms. LaShoto and the old Mannhatten brownstone house was designed by Mr. Rourke and built by Robert Withrow.

Seniors who had lead roles in the play were Neil Casey, Janet LaRosa, and Bill Vincent.

mrs. janet coen retires after ten years at waltham high

by linda magliarditi

For the past ten years Waltham High School has offered a two year Health Careers program to students who are interested in pursuing health professions. The course gives the student an insight with first hand knowledge and experience into many different health fields. The first year of the course is a classroom study where the student learns medical terminology, medical techniques, first aid, and small medical tasks. During the second year, the student acquires first hand experience with these techniques and tasks by volunteering at various clinical health agencies once a week. They also have a classroom study in which the students learn in detail of the human body, its diseases, their causes and treatments.

The course is a very rewarding experience. It was initiated and has been

taught for the past ten years by Mrs. Janet Coen, an R.N. educator. Mrs. Coen is a caring, warm hearted teacher who strives to help each student individually. Those of us who have been fortunate enough to be touched by her warm and gentle ways are very lucky indeed! To all of us she has been a friend: always there to guide us, always there to listen, always there to help us make the right decisions about our ensuing careers.

The health careers program will continue; but unfortunately for its new students, Mrs. Coen will not be there to lead it. After ten years at Waltham High, Mrs. Coen is retiring and will certainly be missed by all who worked with her. We wish her happiness in her retirement, and we are sure she will continue to share her compassion with everyone she touches.

scholarship, character, leadership, and service are trademarks of n.h.s.

by andrea gallagher

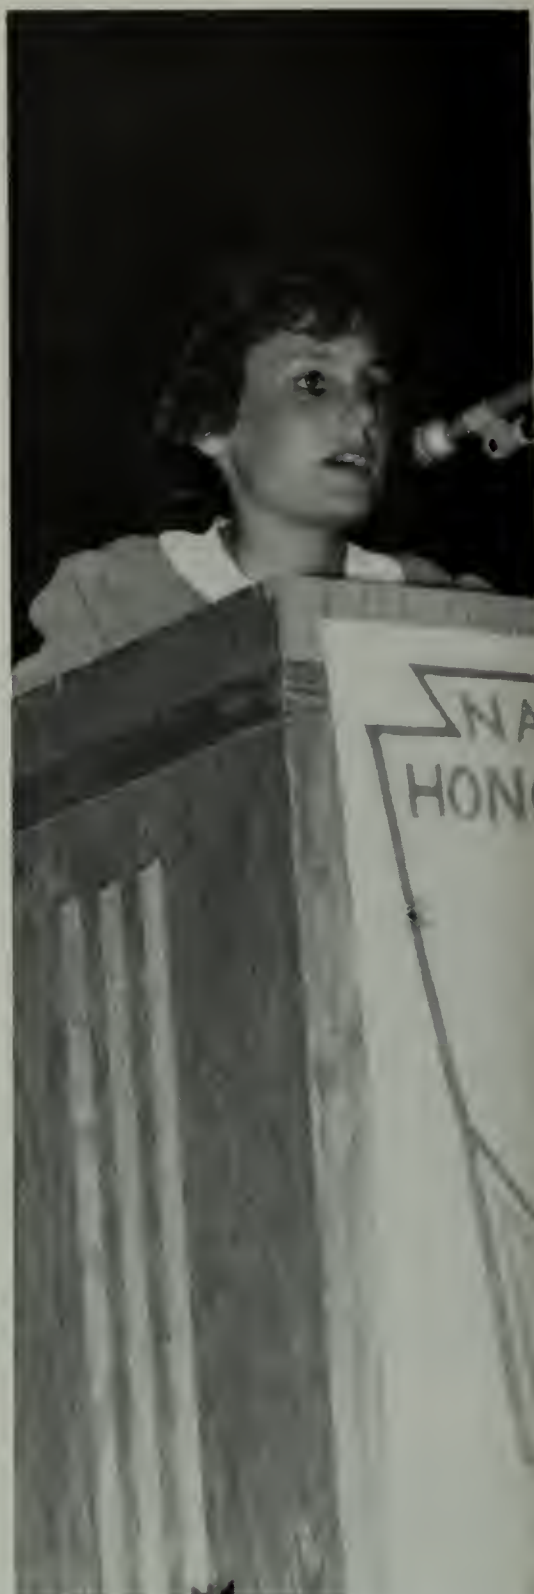

Traditionally, the National Honor Society has embodied the ideals of scholarship, character, leadership, and service. Its members, totaling forty-seven this year, demonstrated these ideals, *par excellence*. Encouraged by their advisor, Ms. Rosemary Geary, the members were involved in many activities both in school and outside.

Some of these activities include: fundraising for charitable causes and scholarships; assisting Parent-Teachers' meetings; tutoring at the high and elementary levels, assisting at Sophomore Orientation and Graduation activities; entertaining at the W.E.A. Christmas Party for residents at the Fernald School; assisting teachers with the Basic Skills Testing Program in Writing; and working with teachers and staff in the Media Center, houseoffices, and nurse's office. In addition, the society co-sponsored the Noble Prize Program with the Student Council to honor students in Waltham in the areas of academics, civics, athletics, and

special recognition.

Under the creative and dynamic leadership of this year's officers: President Colleen (Gidget) Brown, Vice-president Jake Foote, Secretary, Anne Arnold, and Treasurer, Gina Caruso, the Society initiated a new scholastic program for the benefit of students and teachers alike. This new program entitled "The Speakers' Slate" provided for guest speakers to come to the high school to talk on various issues including; nuclear war, nuclear power, and ethnicity in Waltham. The Speakers' Slate also sponsored a popular debate on Reaganomics between Mr. Cappucci, a business teacher and Mr. Walker, a social studies teacher. The members themselves presented an all day panel presentation for juniors on "The College Application Process."

It is apparent that the N.H.S. members of the Class of 1983 chose "the road less travelled by" in the immortal words of poet, Robert Frost and "that has made all the difference" for everyone concerned.

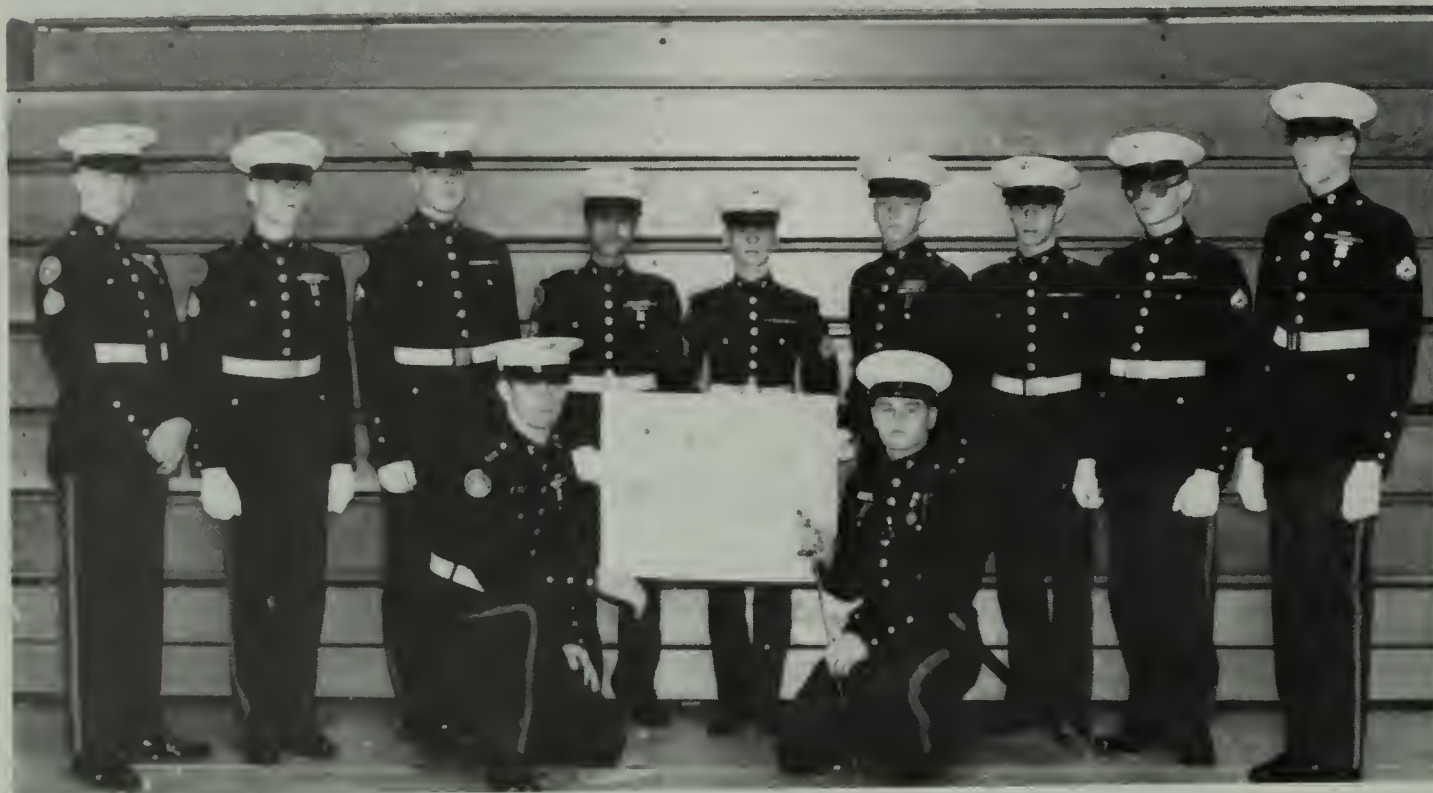

mcjrotc is very active in community affairs

by andrea gallagher

This year, the Waltham High MCJROTC unit participated in many activities. They participated in a walk for cancer sponsored by the American Cancer Society and a walk-a-thon for Muscular Dystrophy. In April, many members traveled to

Parris Island, South Carolina for an orientation visit.

The ROTC also helped with Veterans Day and Armed Forces Day Services while also raising the American Flag at the beginning of each school day.

kathy oliveri was crowned queen of the junior prom

by andrea gallagher

Dinner, dancing and formal dress set the mood for the 1983 Junior Prom held at the Best Western East. Good spirit and pleasant music were conducive to making April 29th a most memorable evening.

Kathy Oliveri was crowned Junior Prom Queen. Chosen as the queen's at-

tendants were Maria Egiros and Paula Schuessler. "Wishing on a Star", our theme song, was one of many popular recordings selected by disc jockey John LaConte.

The 144 couples attending really enjoyed making the beginning of "today's dreams tomorrow's realities."

there will always be those memories that will linger on and on

by kathy venini

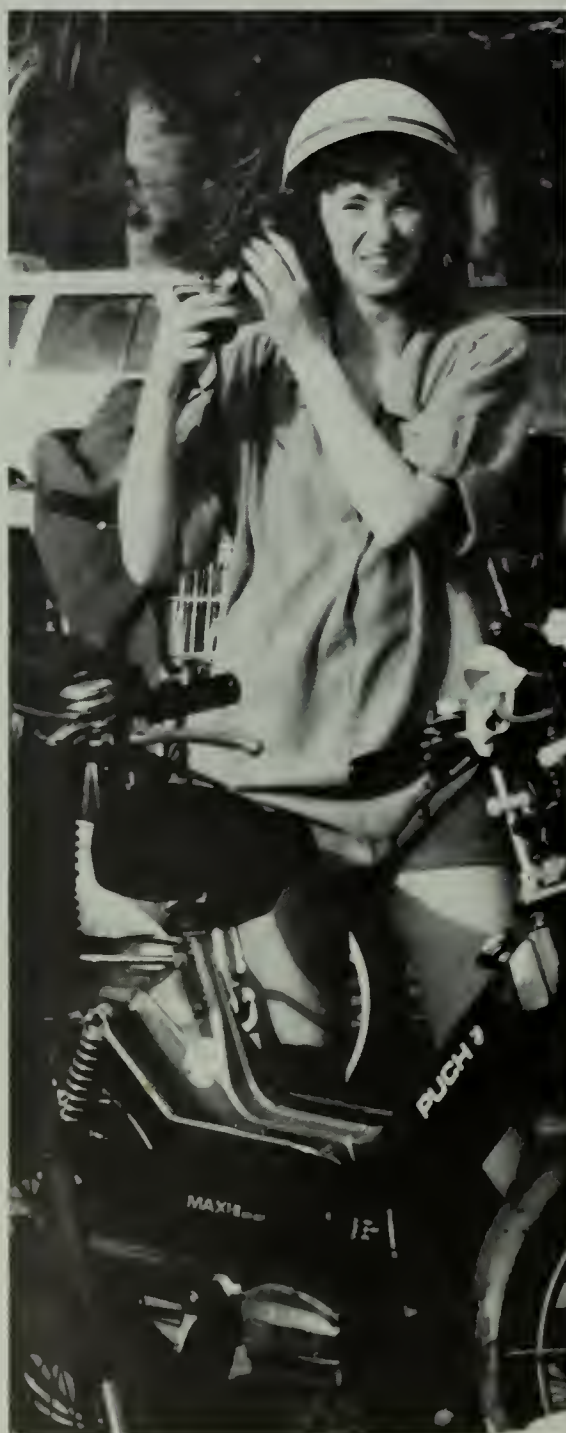

"Bermuda" had to have been one of the most exciting weeks of our senior Year! It was all that we could ask for The turquoise blue water, the pink sand, horsebackriding on the beach, sunrises, parties and bikinis! We will always remember the fun shared during many happy hours at the White Heron.

After the White Heron many of us hopped into taxis driven by friendly Bermudians and went to our favorite discos - for some it was the "Disco 40" and others the "French Connection" and the "40 Theives." The nights were never long enough! Despite our lack of sleep, However, many of us managed to wake up the next morning and drive our mopeds quite well.

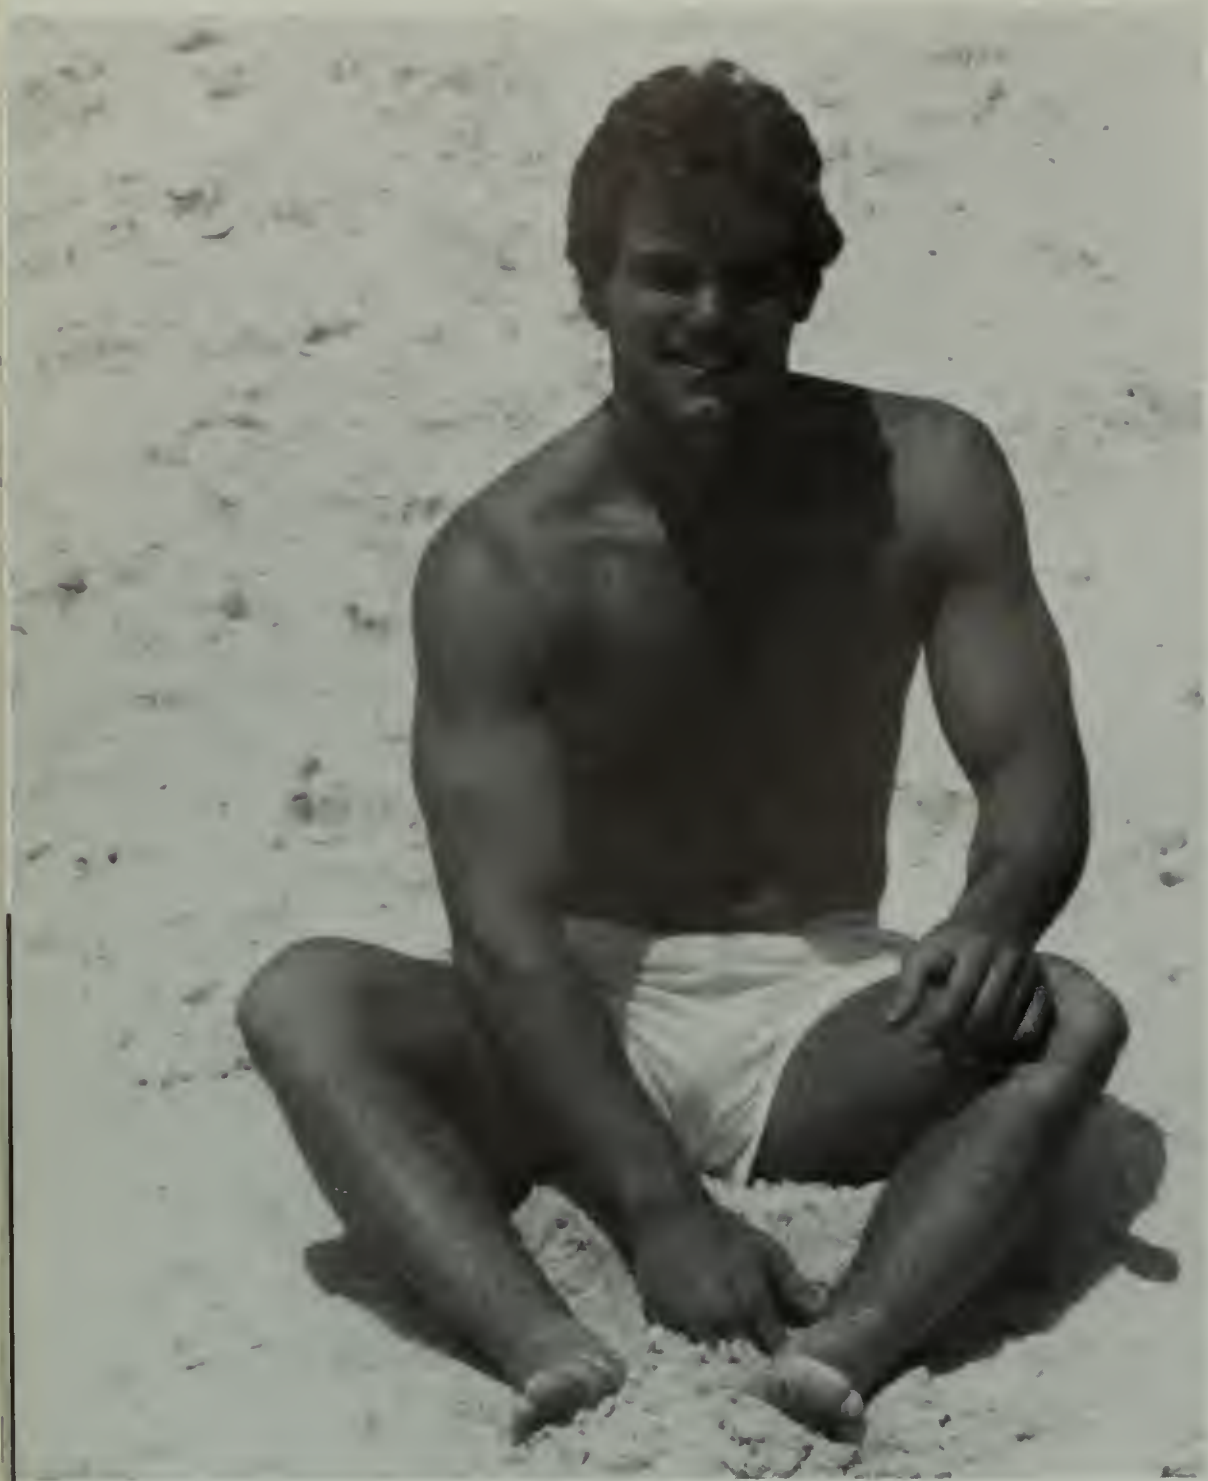

A favorite meeting place was Horse-shoe Bay, where we met the Bermuda Strollers! As one observer commented

in envy, "You're partying with the Bermuda Strollers?" Nothing but the best! We toured the beautiful island sites and many found our own special places on the island where we could watch the sunrise. During the day we toured magnificent Bermuda. We discovered fortresses of long ago along the shore line. In addition we explored rock caves, crystal caves, many famous lighthouses, and the perfume factory. . Along about midday, many of us gathered at the Swizzle Inn for lunch and their infamous rum swizzles. After lunch we continued with our touring and later rendezvoused for the Happy Hour at the White Heron.

In all it was a fun packed week. Everyone was sad to leave this site of awe and excitement. We boarded our plane with tears in our eyes, we concluded with the lyrical song, "Bermuda is another world."

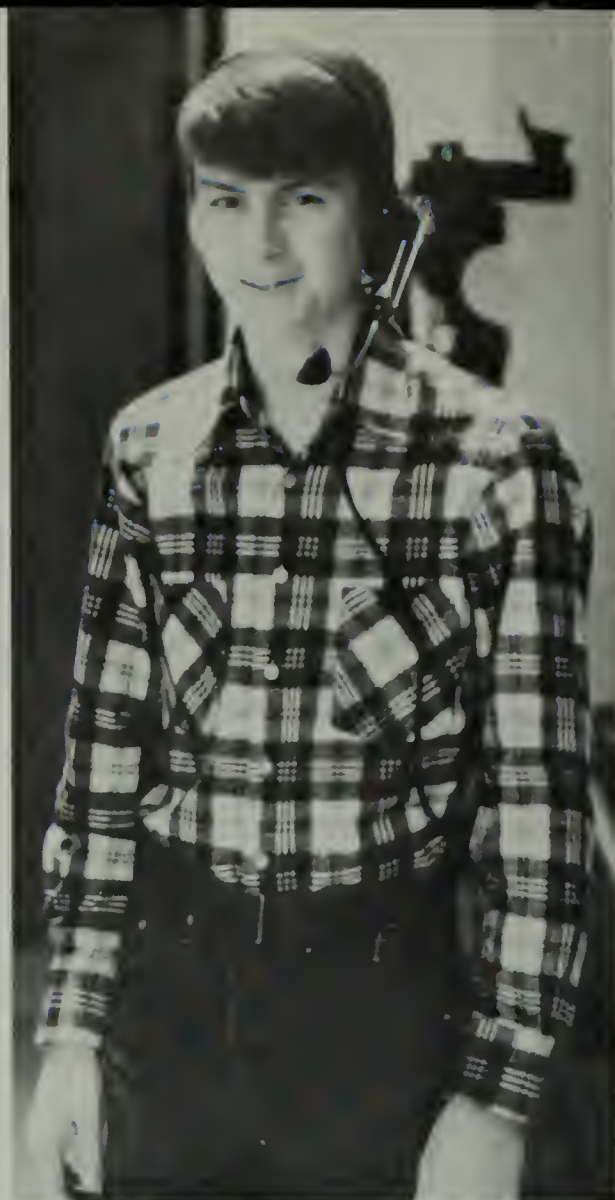

the anchor team of tracei, doreen, and mike was a SUCCESS

by kris hill

Once again, WHS-TV supplied the entire school with a daily news program. Under the director of junior, Brian Augustine, the "Morning Bulletin" with Tracei Favereau, Doreen Tirone and Mike Gould was a complete success!

As the year progressed, the staff at WSH-

TV produced programs with mime, Trent Arterberry, the cast of Senior Revue, the wrestling team and a videotape for freshman orientation. The TV-Department will miss the talents of Bob Weston, Tracei Favereau, Doreen Tirone, and Bill Vincent.

senior week

senior awards night thursday, june 2, 1983

by karen gearty

Thursday, June 2, 1983, was a special evening for many seniors. It was Senior Awards Night, where awards and scholarships are given to deserving seniors. The evening began with introductions by Christine Denaro. We then heard some musical selections by the W.H.S. Chorus and a piano solo by Barbara O'Brien. Next it was time for the presentation of awards. First to be given were the School Committee Keys, which are given to stu-

dents who maintained 50% A's and no C's since ninth grade. Then it was time for the scholarships to be handed out. In total they amounted to over \$300,000 with \$70,000 coming from local businesses and organizations. After the presentation of awards Diane Pintabone read a poem she had written about waiting to hear about acceptances from colleges. Finally, closing remarks were said by Stephen Dunbar.

through the years

by kathy venini and karen gearty

The Senior Prom was held on May 27 at the Chateau de Ville in Framingham. It was a night which passed quickly between dinner, waiting in line for pictures, and dancing.

Later in the evening, Linda Magliarditi escorted by John Pagliazoo was

crowned Prom Queen. Her attendants were Tracei Favreau and Kathy Nally.

The theme song "Through the Years" was performed by the band "Profile" while many couples enjoyed dancing.

In all, it turned out to be an enjoyable evening, which will long be remembered by all who attended.

graduation exercises sunday, june 5, 1983

by lisa stalmon

Despite the cloudy skies, the Class of 1983 successfully received their diplomas and made June 5, 1983, their day. The many guest speakers all wished the class well and lots of luck for the future. Guest speaker, Mrs. Lillian Shirley, said that "two-thirds of the class will go on to college and one-third will pursue careers." Also, Superintendent of Schools, Mr. John J. Daddona, was told to "make it short" by his graduating son. The day was marked with many congratulations and many hopes for the future spoken by many of the speakers including class Valedictorian, Anne Arnold, who spoke about the future. "Each one of you has a

dream that is different from the person sitting next to you." She also warned her classmates to "make choices carefully and realistically." Also, Diane Pintabone, expressed her feelings towards the future in the Class Poem which she wrote and read especially for the Class of 1983 Graduation Day ceremonies. The Class of 1983 brightened up the cloudy day by wearing the class colors of red for the boys, and white for the girls who also carried red roses. All in all, everyone was sad to be leaving, but all were looking forward to their future plans in college or in pursuing a career. Congratulations, Class of 1983!

Time Is A Process Of Becoming

Time is a process of becoming
 And we wonder what it is we've become
 We look back and consider where we've been
 And we see all the things we've done.
 We now stand on a threshold,
 Before us the future lies —
 Open gates led to hundreds of fates
 Beneath these clear blue skies.
 Behind us we see our classrooms
 And remember the years that have passed
 — Years that flew like the warm summer's breeze
 And now become part of our past.
 Forever we'll remember the people,
 Who through these years with us have shared
 Their knowledge and wisdom and kindness
 And have guided with love and care.
 Ahead, the doors lie open
 Each of us will choose his way
 To find the door to his future
 As we go out through these doors today.
 With time we will change;
 With time we will grow
 Years hence we may wonder
 "Where did our time go?"
 So as we travel along our own paths
 To find whatever we may
 We must stop now and then to consider
 Those who warm our lives every day.
 Remember always this one thing:
 We each control our own dreams;
 We each can achieve whatever we wish
 Regardless of how hard it may seem.
 So fear not the future and what you may find
 For the world lies open to your heart and your
 mind.

Diane Pintabone

senior class day-luncheon

tuesday, May 31, 1983

by kathy venini

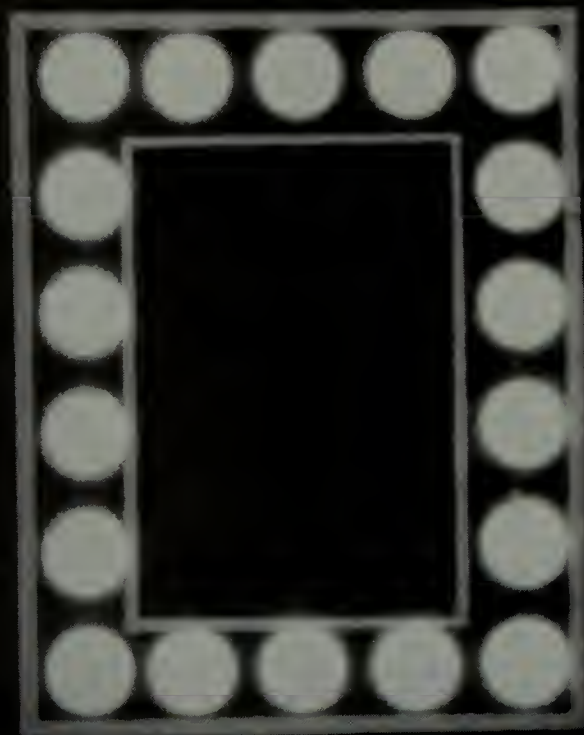

On Tuesday, May 31, 1983 the Senior Class Day-Luncheon took place. Seniors, relatives, and friends assembled in the cafeteria for a luncheon of chicken and rice served by junior members of the National Honor Society. Head table guests included Mr. John J. Regan, Mrs. Alisca Czarnowski, and Mayor Arthur J. Clark. The presentation of the Louise Sewall Award and the Kenneth Harding Award for excellence in athletics went to Jeanne Gately and Darren Marcou respectively.

At the conclusion of the Luncheon the

guests proceeded to the Robinson Auditorium for the Class Day Activities. The performing of skits, the awarding of Senior Superlatives, and the presentation of the yearbook slide show were the highlights of the activities. The program also included tributes to those teachers retiring at the end of the 1983 school year—Mrs. Janet Coen, Mr. Thomas Ferrante, Mrs. Barbara McCauley, Mrs. Esther Wiley, and Mrs. Lucy Windsor. Also honored as "Teacher of the Year" were Mr. Thomas Cappucci, Mrs. Carol Graceffa, and Mr. James McDonnell.

Knowing what makes him byte could be the key to your future.

Pac Man is just the tip of the iceberg. Computer and communications electronics are touching every segment of our lives, from the corporate boardroom to the family playroom.

And, as the electronics universe expands, the competition for skilled high technology personnel gets more and more intense. Opportunities for trained professionals balloon.

GTE Sylvania Tech will give you the experience and the practical, hands-on training that you need to take advantage of the growing number of careers available in the booming computer and communications electronics industries. Last year, 90% of the GTE Sylvania Tech students who looked for work through our Placement Office, found jobs in electronics.

GTE Sylvania Tech. It's the choice of more and more people who want a rewarding career in a challenging, growing industry. If you're smart, it will be the only game in town for you, too.

SylvaniaTech

mirror '83

year in review

by karen gearty

In a year of deepening economic distress, the most inescapable image was that of the jobless. But any year produces its quantum of sorrow and hope. In 1982 there were the Israeli assault in Lebanon and the first permanent artificial-heart implant in Utah; a pastoral island that time had passed by and, offshore, great warships sunk by modern missiles; the imperial pomp for a fallen Soviet leader in Moscow and the remembered glory of a fallen American princess in Monaco. But the year also brought worthy feats. Among them: an overdue tribute to America's Viet Nam dead and an otherworldly creature who captivated the whole world.

Unemployment was once again a big problem in our country. The rate of unemployment has been rising for quite some time now, and there doesn't seem to be an end in sight. Some believe that unemployment rates could hover around 9 percent throughout the decade. Many blue-collar workers in their 40s and 50s are going to lose their jobs and if this happened it is unlikely that they will get work for the rest of their lives.

Social Security was a very sensitive project this year. Many young people are convinced that the system will go under before they retire, and the elderly are, understandably, the most nervous of all. It is estimated that the Social Security Administration will have to find an unimaginable 1.5 trillion dollars over the next 75 years just to keep the elderly comfortable at home.

It was also believed this year that *secret diaries* written by Adolf Hitler were found. These diaries were bought by *Der Stern*, a weekly West German magazine with the intention to publish them all over the world. Several weeks later, however, they were proven to be a hoax. Handwriting experts studied the diaries and proclaimed that they were forged, and badly at that. Stern's editor later admitted that they had reason to be ashamed.

The fight over *defense* spending promises to be very bitter. President Reagan has proposed a "dense pack" as a solution to the U.S. - Soviet missile gap. His dense pack is a 26.4 billion dollar plan to place 100 MX missiles in a narrow strip of land outside a U.S. Air Force base. This plan, however, has met with continuing criticism and scepticism.

- Diner
- Diva
- Victor/Victoria

People were reluctant to take *Tylenol* or any other kind of over-the-counter drug. Earlier this year there were cases of *Tylenol* poisoning. These poisonings occurred when capsules were found in several bottles of *Tylenol*. Several deaths resulted because of this. Then, many companies have begun using tamper proof packaging to prevent this from occurring again.

California had its share of problems in the form of bad weather. They were even hit by an earthquake. The earthquake which shook the town 62 miles southwest of Fresno lasted 15 seconds and centered on an unknown fault. It registered a magnitude of 6.5 on the Richter Scale making it one of the biggest to hit California since the San Francisco earthquake of 1906. As devastating as this earthquake was it will not compare to the "great" quake which scientists say will inevitable hit California in the next 50 or 60 years. It will have nearly 100 times the intensity, and may last minutes rather than seconds.

In Poland problems remain. They are still having problems with the solidarity movement. Lech Walesa had muted his criticism of Poland's communist regime after his release from interment. This didn't last long, however, and he soon broke his silence. He now seems ready to organize open resistance to press for the release of union men still in custody. If he is not bluffing about the actions he will take Poland could be in for trouble.

Computers are also becoming more popular. Many people now own personal computers such as the Apple. Apple and IBM are even beginning to sell some models overseas. With the growing use of computers people will soon have more leisure time to enjoy themselves.

We have also seen the end of the *Madison Hotel* in Boston. The Hotel was recently knocked down. Many people will miss this familiar landmark.

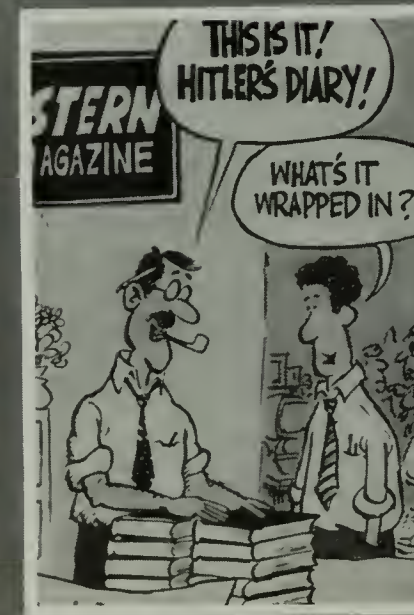

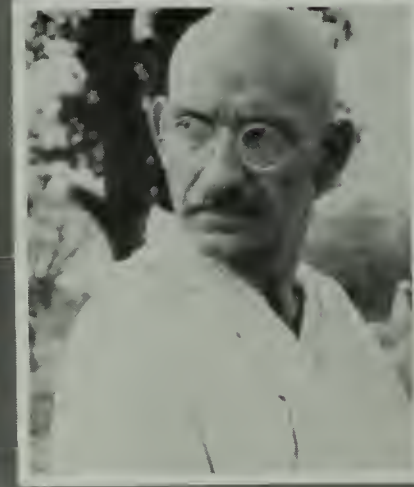

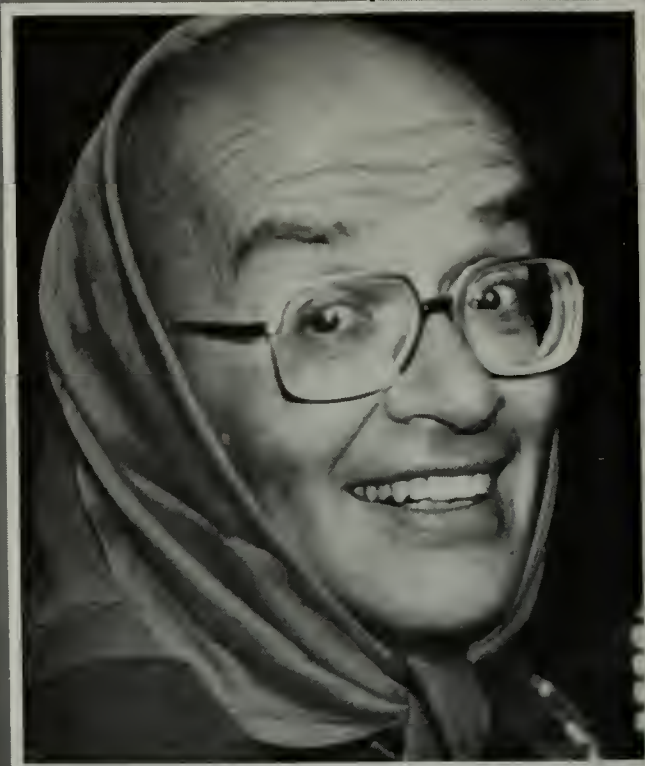

There is even some news coming right out of Waltham High. One of our teachers, Mr. Graceffa has a new son. Mr. Graceffa went to Columbia for four days to adopt his new baby. The baby's name is *John Thomas*. We wish Mr. Graceffa much good luck.

Many people were saddened to hear of the death of some loved people. We certainly felt the loss of *Bear Bryant*. He was one of the best coaches in college football. He died only a month after retiring from his 28 year career as a college football coach. He was well loved by his players. His teams won more games than those of any other college coach.

We were also sorry to hear of the death of *Henry Fonda*. He died after a long and arduous battle to prolong his life. After years of acting Henry had finally won an Academy Award for his role in "On Golden Pond".

An actress we also regret losing was *Grace Kelly*. She died at 52 in a fatal auto accident. She was a regal film star who went on to become princess of Monaco.

Finally, We learned of the death of *Leonid Brezhnev*. Leonid Brezhnev was president of the Soviet Union for several years before his death.

Sports also had much to offer this year. In Baseball the Cardinals beat Harvey Kuehn's wall-banging Brewers in a seven-game series by taking the last two at home. Cardinal pitchers were last in strike outs for the year, but yielded the fourth fewest homeruns.

Football also showed much excitement, as the Redskins powered by the explosive running of fullback John Riggins beat Miami in the super bowl.

Herschel Walker certainly showed how powerful he was by being awarded the 1983 Heisman Trophy. He was a running back for the Georgia Bulldogs who just recently signed a multi-million dollar contract with the newly formed U.S.F.L.

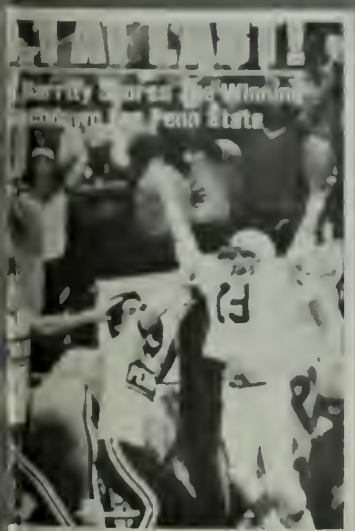

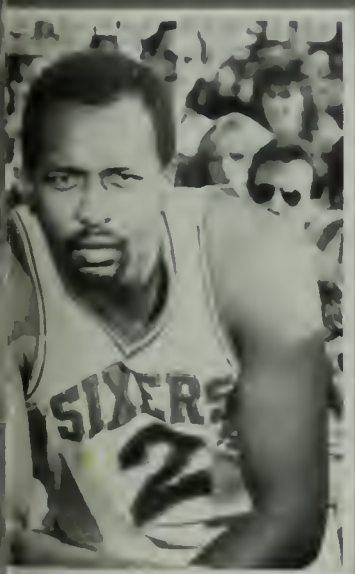

Another excellent player in college football was Stanford's John Elway. He showed he didn't fool around by beating the #1 ranked Washington Huskies.

Despite these two great players, Penn State was at last number 1 in college football, as Greg Garrity scored the winning touchdown against Georgia.

Jimmy Connors was number 1 on the tennis court as he won the U.S. Open shortly after his victory at Wimbledon.

Finally in Basketball, the Philadelphia 76'ers were the champs in the NBA, while N.C. State was number 1 in college basketball.

We are also very proud of one of Waltham High's graduates. Fred Smerlas, who is a member of the Buffalo Bills made All Pro 1st team. in the NFL.

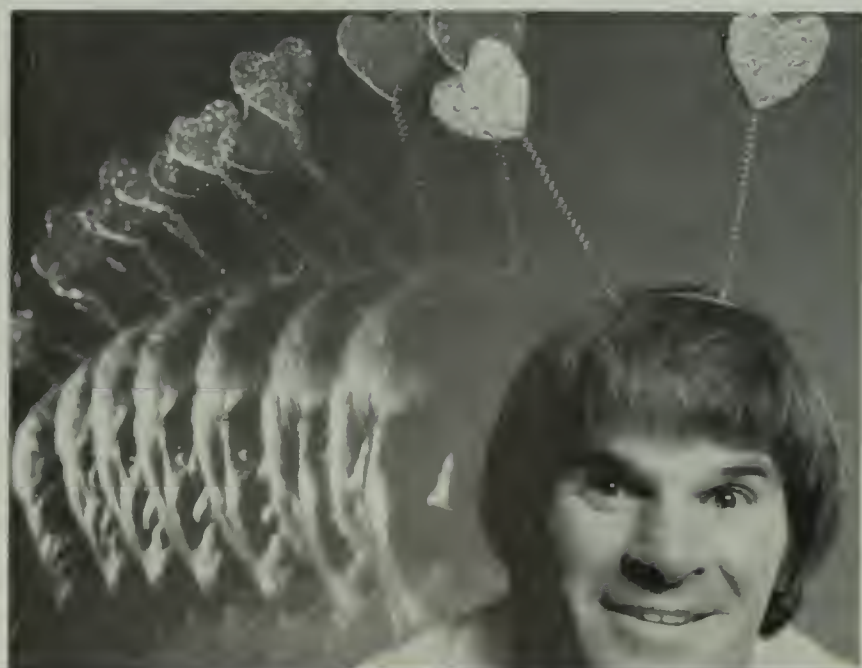

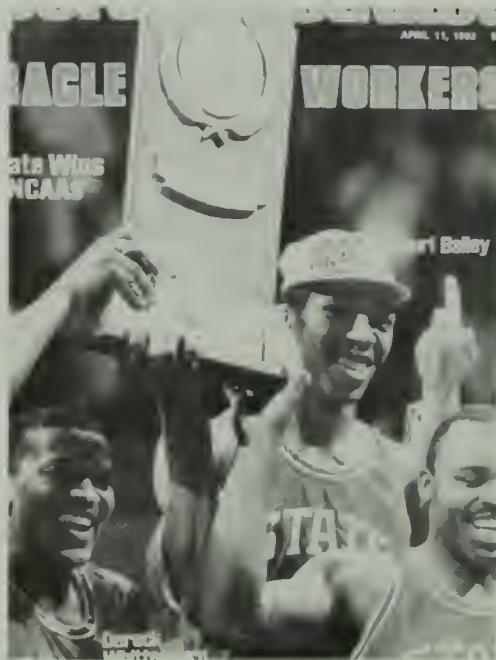

The play "Cats" was the big hit on Broadway this year winning 7 Tony Awards including Best Musical.

In the movies *E.T.* and *Gandhi* were popular. Children could often be seen with E.T. paraphernalia.

On television many people watched the final episode of *M*A*S*H*. It had been a part of television for ten years. Many people were sorry to see it end. Some may have even noticed Kevin Scannell in the final episode. Kevin is a former Waltham High School Student.

It was a year which reflected many things. Both good and bad times. Some of the fads will quickly be forgotten, but some will remain as lasting memories of our high school days.
